

ANTICIPATED ACQUISITION BY STRYKER CORPORATION OF WRIGHT MEDICAL GROUP N.V.

Undertakings given by Stryker Corporation to the Competition and Markets Authority pursuant to section 73 of the Enterprise Act 2002

Whereas:

- (a) Stryker Corporation (**Stryker**) proposes to acquire Wright Medical Group N.V. (**Wright**) by way of a tender offer commenced by a wholly-owned subsidiary of Stryker for all outstanding ordinary shares of Wright for \$30.75 per share, in cash, pursuant to a Purchase Agreement dated November 4, 2019 (the **Transaction**) such that Stryker and Wright ceased to be distinct for the purposes of the Enterprise Act 2002 (the **Act**);
- (b) In its decision of 30 June (the **Decision**), the Competition and Markets Authority (**CMA**) decided under section 33(1) of the Act that the Transaction will give rise to a realistic prospect of a significant lessening of competition (**SLC**) in the supply of Total Ankle Replacement in the UK. The CMA did not find competition concerns in relation to any of the other overlaps.
- (c) Under section 33(1) of the Act the CMA has a duty to refer a relevant merger situation for a Phase 2 investigation where it believes that it is or may be the case that the creation of that merger situation has resulted or may be expected to result in a substantial lessening of competition within any market or markets in the UK for goods or services;
- (d) Under section 73 of the Act the CMA may, instead of making such a reference and for the purpose of remedying, mitigating or preventing the substantial lessening of competition concerned or any adverse effect which has or may have resulted from it or may be expected to result from it, accept undertakings to take such action as it considers appropriate, from such of the parties concerned as it considers appropriate. In particular, the CMA shall have regard to the need to achieve as comprehensive a solution as is reasonable and practicable to the substantial lessening of competition and any adverse effects resulting from it;
- (e) As set out in the Decision, the CMA believes that, in the absence of appropriate undertakings, it would be under a duty to refer the Transaction for a Phase 2 investigation;

- (f) In its decision of 14 July, the CMA decided that there are reasonable grounds for believing that the undertakings offered by Stryker, or a modified version of them, might be accepted by the CMA under the Enterprise Act 2002.
- (g) The CMA considers that the undertakings given below by Stryker are appropriate to remedy, mitigate or prevent the substantial lessening of competition, or any adverse effect which has or may have resulted from the Transaction, or may be expected to result from it, as specified in the Decision;
- (h) Prior to the acceptance of these undertakings by the CMA, Stryker entered into a legally binding Asset Purchase Agreement of 15 October 2020 to divest the Divestment Business as a going concern to the Proposed Purchaser. This agreement was conditional on formal CMA approval of the Proposed Purchaser and acceptance by the CMA of these undertakings. This agreement includes a warranty that the Proposed Purchaser has the financial resources, expertise (including the managerial, operational and technical capability), incentive and intention to maintain and operate the Divestment Business as part of a viable and active business in competition with Stryker post-Transaction and other competitors in the medical device industry; and
- (i) The CMA made an Initial Enforcement Order applying to Stryker and Wright on 19 May 2020 in respect of the Transaction pursuant to section 72 of the Act for the purposes of preventing pre-emptive action. Pursuant to section 72(6) of the Act, the Initial Enforcement Order ceases to be in force on the final acceptance by the CMA of the undertakings given below by Stryker or where the CMA refers the Transaction to Phase 2.

NOW THEREFORE Stryker hereby gives to the CMA the following undertakings for the purpose of remedying, mitigating or preventing the substantial lessening of competition, or any adverse effect which has or may have resulted from it or may be expected to result from it.

1 EFFECTIVE DATE OF THE UNDERTAKINGS

- 1.1 These undertakings shall take effect from the date that, having been signed by Stryker, they are accepted by the CMA.

2 DIVESTMENT OF THE DIVESTMENT BUSINESS

- 2.1 Stryker shall ensure that the completion of the divestment of the Divestment Business to the Proposed Purchaser contemplated by the Asset Purchase Agreement takes place conditional upon, and substantially concurrently with the consummation of the Transaction. Stryker shall also enter into the Relevant

Arrangements with the Proposed Purchaser upon completion of the divestment. If the Transaction is terminated or otherwise abandoned, Stryker will also terminate the divestment of the Divestment Business.

- 2.2 Stryker shall use all reasonable endeavours to ensure the transfer of Key Staff with the divestment of the Divestment Business.
- 2.3 In the event that Stryker fails to complete the divestment of the Divestment Business in accordance with paragraphs 2.1 and 2.2 above, the CMA may, whether or not initiating the Trustee Functions as set out in paragraph 4 below, require Stryker to divest the Divestment Business as a going concern at no minimum price to a purchaser or purchasers approved by the CMA.

3 APPROVAL OF PURCHASER AND TERMS OF DIVESTMENT

- 3.1 For the purposes of the CMA approving a Proposed Purchaser and the terms of the divestment of the Divestment Business in accordance with these undertakings, Stryker shall, save as required or permitted by the CMA, satisfy the CMA that:
 - (a) the acquisition by the Proposed Purchaser of the Divestment Business, on the terms set out above, remedies, mitigates or prevents the substantial lessening of competition concerned or any adverse effect which has or may have resulted from it, or may be expected to result from it, in particular having regard to the need to achieve as comprehensive a solution as is reasonable and practicable to the substantial lessening of competition and any adverse effects resulting from it;
 - (b) the Proposed Purchaser is independent of and unconnected to Stryker and the Group of Interconnected Bodies Corporate to which Stryker belongs and any Associated Person or Affiliate of Stryker or such Group of Interconnected Bodies Corporate;
 - (c) the Proposed Purchaser has the financial resources, expertise (including the managerial, operational and technical capability), incentive and intention to maintain and operate the Divestment Business as a viable and active business in competition with Stryker and other competitors in the medical device industry from the date of completion of the divestment of the Divestment Business;
 - (d) the Proposed Purchaser is reasonably to be expected to obtain all necessary approvals, licences and consents from any regulatory or other authority; and

- (e) the acquisition by the Proposed Purchaser of the Divestment Business does not create a realistic prospect of a substantial lessening of competition within any market or markets in the UK.
- 3.2. The CMA may require Stryker to provide it with such information and documentation as it may reasonably require to satisfy the CMA that the Proposed Purchaser will fulfil the requirements in paragraph 3.1 above.

4 APPOINTMENT OF A TRUSTEE

- 4.1. The provisions of paragraph 4.2 to paragraph 4.7 below shall apply only as long as Stryker has not satisfied, or where the CMA has reasonable grounds for believing that Stryker will not satisfy, all or any part of the obligation to divest the Divestment Business in accordance with paragraph 2 above.
- 4.2. Within 5 Working Days of the CMA notifying Stryker in writing that it must do so, Stryker shall propose to the CMA for approval:
- (a) the names of at least two individuals to exercise the Trustee Functions; and
 - (b) the full terms of a mandate in accordance with which the Trustee shall carry out the Trustee Functions.
- 4.3. Stryker and/or any individuals nominated pursuant to paragraph 4.2 shall satisfy the CMA that, save as required or permitted by the CMA:

 - (b) such nominated individuals are each independent of Stryker and of the Group of Interconnected Bodies Corporate to which Stryker belongs and of any Associated Person or Affiliate of Stryker or of such Group of Interconnected Bodies Corporate and of any Proposed Purchaser of the Divestment Business to be sold pursuant to these undertakings, and, in the reasonable opinion of Stryker, are appropriate to be appointed as Trustee; and
 - (c) such nominated individuals neither are, nor are likely to become, exposed, either directly or indirectly, to a conflict of interest that impairs or may be likely to impair their objectivity or independence in discharging the Trustee

Functions.

4.4. Within 2 Working Days of the CMA approving, at its discretion, one or more of the persons nominated by Stryker and their proposed mandates pursuant to paragraph 4.2 above, and subject to any modifications the CMA deems necessary for the Trustee to carry out the Trustee Functions, Stryker shall use its best endeavours to appoint from the persons so approved one person to carry out the Trustee Functions in accordance with the mandate approved by the CMA pursuant to paragraph 4.2 above.

4.5. In the event that:

Stryker shall use its best endeavours to appoint from persons nominated by the CMA one person to carry out the Trustee Functions on the terms of a mandate approved by the CMA. Stryker shall use its best endeavours to make such appointment within 5 Working Days of receiving the nominations from the CMA.

4.6. The appointment of the Trustee pursuant to paragraph 4.4 or paragraph 4.5 above shall be irrevocable unless:

- (a) a conflict of interest that impairs or may be likely to impair the objectivity or independence of the Trustee in discharging the Trustee Functions arises;
- (b) the Trustee ceases to perform the Trustee Functions; or
- (c) the CMA is otherwise satisfied that there is good cause for the appointment to be terminated in advance of the satisfactory fulfilment of the Trustee Functions.

4.7. In the event that the appointment of the Trustee is terminated in accordance with paragraph 4.6 above, Stryker shall, if requested to do so in writing by the CMA, use its best endeavours to appoint from persons nominated by the CMA one person to carry out the Trustee Functions in accordance with such mandate as

is approved by the CMA. Stryker shall use its best endeavours to make such appointment within seven Working Days of receiving the nominations from the CMA. Where required by the CMA, the outgoing Trustee shall continue as Trustee until a new Trustee is in place and a full handover of all relevant information has taken place.

5. THE MANDATE

5.1. The terms of the mandate proposed by Stryker pursuant to paragraph 4.2 above shall, as a minimum, contain all provisions necessary to enable the Trustee to carry out the Trustee Functions including, without limitation to the generality of this paragraph:

- (d) a mandate to comply with any orders and/or directions given by the CMA; and
- (e) a mandate to appoint at Stryker's expense such advisers as the CMA and/or the Trustee reasonably considers necessary or appropriate in connection with the performance of the Trustee Functions.

6.2. Without prejudice to the generality of paragraph 6.1 above, the Trustee shall take the following measures in relation to the Divestment Business to the extent to which such measures may be necessary to effect the divestment of the

Divestment Business in accordance with the provisions of these undertakings:

- (a) the transfer or vesting of property, assets, rights, personnel, liabilities or obligations (including without prejudice any contracts, licences, authorisations, permits or consents);

The Trustee shall notify the CMA of the identity of a Proposed Purchaser as soon as reasonably practicable prior to the signing of a legally enforceable agreement and in any event at least 20 Working Days in advance of the proposed completion of the proposed sale and purchase agreement in question.
- 6.4. Pending the divestment of the Divestment Business pursuant to paragraph 6.1 above, the Trustee shall monitor Stryker's compliance with its obligations under paragraph 7.1 and paragraph 7.2 below and shall promptly take such measures as it considers necessary to ensure such compliance, as well as reporting in writing to the CMA, if the Trustee concludes on reasonable grounds that Stryker is failing or will fail to comply with such obligations.
- 6.5. The Trustee may give written directions to Stryker to take such steps as may be specified or described in the directions for the purpose of securing Stryker's compliance with its obligations under these undertakings or enabling the Trustee to carry out the Trustee Functions. The Trustee may not require Stryker to:
- (a) offer any reverse premium or similar inducement to a purchaser; or

- 6.7. For the purpose of fulfilling the Trustee Functions, the Trustee shall not be bound by instructions of Stryker nor shall the Trustee Functions be extended or varied in any way by Stryker save with the prior express written consent of the CMA.

7. OBLIGATIONS OF STRYKER FOLLOWING APPOINTMENT OF TRUSTEE

9. INTERIM ACTION

- 9.1. Pending the completion of the divestment of the Divestment Business to the satisfaction of the CMA in accordance with the provisions of these undertakings, save as otherwise agreed in advance in writing by the CMA, Stryker shall minimise as far as possible any risk of loss of competitive potential of the Divestment Business and in particular ensure that:
