

ACQUISITION BY [X] OF [X]

Initial Enforcement Order made by the Competition and Markets Authority pursuant to section 72(2) of the Enterprise Act 2002 (the Act)

Whereas:

- (a) the Competition and Markets Authority (**CMA**) has reasonable grounds for suspecting that it is or may be the case that arrangements are in progress or in contemplation which, if carried into effect, will result in [X], through its wholly owned subsidiary [X], and [X] ceasing to be distinct;
- (b) the CMA is considering whether to make a reference under section 22 or 33 of the Act;
- (c) the CMA wishes to ensure that no action is taken pending final determination of any reference under sections 22 or 33 of the Act which might prejudice that reference or impede the taking of any action by the CMA under Part 3 of the Act which might be justified by the CMA's decisions on the reference; and
- (d) the circumstances set out in section 72(6) of the Act do not apply and the reference has not been finally determined in accordance with section 79(1) of the Act.

Now for the purposes of preventing pre-emptive action in accordance with section 72(2) of the Act the CMA makes the following order addressed to [X] and [X] (**Order**).

Commencement, application and scope

1. This Order commences on the commencement date: being the date of completion of the transaction.
2. This Order applies to [X] and [X].
3. Notwithstanding any other provision of this Order, no act or omission shall constitute a breach of this Order, and nothing in this Order shall oblige [X] or

[X] to reverse any act or omission, in each case to the extent that it occurred or was completed prior to the commencement date.

4. This Order does not prohibit the completion of the transaction provided that [X] and [X] observe the restrictions set out below.

Management of the [X], [X] and [X] businesses until determination of proceedings

5. Except with the prior written consent of the CMA, [X] and [X] shall not, during the specified period, take any action which might prejudice a reference of the transaction under section 22 or 33 of the Act or impede the taking of any action under the Act by the CMA which may be justified by the CMA's decisions on such a reference, including any action which might:
 - (a) lead to the integration of the [X] business with the [X] business;
 - (b) transfer the ownership or control of the [X] business or the [X] business or any of their subsidiaries; or
 - (c) otherwise impair the ability of the [X] business or the [X] business to compete independently in any of the markets affected by the transaction.
6. Further and without prejudice to the generality of paragraph 5 and subject to paragraph 3 and 4, [X] and [X] shall at all times during the specified period procure that, except with the prior written consent of the CMA:
 - (a) the [X] business is carried on separately from the [X] business and the [X] business's separate sales or brand identity is maintained;
 - (b) the [X] business and the [X] business are maintained as a going concern and sufficient resources are made available for the development of the [X] business and the [X] business, on the basis of their respective pre-merger business plans;
 - (c) except in the ordinary course of business, no substantive changes are made to the organisational structure of, or the management responsibilities within, the [X] business or the [X] business;
 - (d) the nature, description, range and quality of goods and/or services supplied in the UK by each of the two businesses are maintained and preserved;
 - (e) except in the ordinary course of business for the separate operation of the two businesses:

- (i) all of the assets of the [X] business and the [X] business are maintained and preserved, including facilities and goodwill;
 - (ii) none of the assets of the [X] business or the [X] business are disposed of; and
 - (iii) no interest in the assets of the [X] business or the [X] business is created or disposed of;
- (f) there is no integration of the information technology of the [X] or [X] businesses, and the software and hardware platforms of the [X] business shall remain essentially unchanged, except for routine changes and maintenance;
- (g) the customer and supplier lists of the two businesses shall be operated and updated separately and any negotiations with any existing or potential customers and suppliers in relation to the [X] business will be carried out by the [X] business alone and for the avoidance of doubt the [X] business will not negotiate on behalf of the [X] business (and vice versa) or enter into any joint agreements with the [X] business (and vice versa);
- (h) all existing contracts of the [X] business and the [X] business continue to be serviced by the business to which they were awarded;
- (i) no changes are made to key staff of the [X] business or [X] business;
- (j) no key staff are transferred between the [X] business and the [X] business;
- (k) all reasonable steps are taken to encourage all key staff to remain with the [X] business and the [X] business; and
- (l) no business secrets, know-how, commercially-sensitive information, intellectual property or any other information of a confidential or proprietary nature relating to either of the two businesses shall pass, directly or indirectly, from the [X] business (or any of its employees, directors, agents or affiliates) to the [X] business (or any of its employees, directors, agents or affiliates), or vice versa, except where strictly necessary in the ordinary course of business (including for example, where required for compliance with external regulatory and/or accounting obligations or for due diligence, integration planning or the completion of any merger control proceedings relating to the transaction) and on the basis that, should the transaction be prohibited, any records or copies (electronic or otherwise) of such information that have passed,

wherever they may be held, will be returned to the business to which they relate and any copies destroyed.

Compliance

7. [X] and [X] shall procure that each of their subsidiaries complies with this Order as if the Order had been issued to each of them.
8. [X] and [X] and [X] shall provide to the CMA such information or statement of compliance as it may from time to time require for the purposes of monitoring compliance by [X] and [X] and [X] and their subsidiaries with this Order. In particular, on the date two weeks after the commencement date of the Order and subsequently every two weeks (or, where this does not fall on a working day, the first working day thereafter) the Chief Executive Officer of [X] and [X] and the Chief Executive Officer of [X] or other persons of [X] and [X] and [X] as agreed with the CMA shall, on behalf of each of [X], [X] and [X], provide a statement to the CMA in the form set out in the Annexes to this Order confirming compliance with this Order.
9. At all times, [X] and [X] shall, or shall procure that [X] shall, each actively keep the CMA informed of any material developments relating to the [X] business or the [X] business, which includes but is not limited to:
 - (a) details of key staff who leave or join the [X] business or the [X] business;

 - (d) substantial changes in the [X] or [X] business's contractual arrangements or relationships with key suppliers.
10. If [X] or [X] or [X] has any reason to suspect that this Order might have been breached it shall immediately notify the CMA and any monitoring trustee that [X], [X] or [X] may be directed to appoint under paragraph 11.
11. The CMA may give directions to a specified person or to a holder of a specified office in any body of persons (corporate or unincorporated) to take specified steps for the purpose of carrying out, or ensuring compliance with,

this Order, or do or refrain from doing any specified action in order to ensure compliance with the Order. The CMA may vary or revoke any directions so given.

12. [X] and [X] shall comply in so far as they are able with such directions as the CMA may from time to time give to take such steps as may be specified or described in the directions for the purpose of carrying out or securing compliance with this Order.
