(a) Total number of animal(s)\*:

(b)

Identification	Breed	Sex	Age

II. Origin of the animal(s)\*

(a) Name and address of the exporter

(b) Address of premises of origin where the animals were examined

III. Destination of the animal(s)\*

(a) Name and address of consignee

\*Delete as applicable

**IV. Health Information**

I, the undersigned, certify that the rabbit(s) described above meet the following requirements:

(a) on ....., being within 24 hours of export, I the undersigned official veterinarian examined the said animals and found them to be free from clinical signs of infectious or contagious disease, visibly free from external parasites and in my opinion fit to travel;

(b) on ....., the rabbit(s)\* was/were treated with an acaricidal preparation which is known to have residual action against ticks;

(c) as far as can be ascertained the rabbit(s)\* has/have not been exposed to rabies nor been present within the last 6 months in an officially quarantined or designated rabies area;

Great Britain is officially free of rabies according to the rules of the Office International d'Epizooties (OIE) International Animal Health Code.

\*Delete as applicable

**V. This certificate is valid for 14 days.**
