8315EHC – Exporters Declaration on the Origin of the Products1

8315EHC – Exporters Declaration on the Origin of the Products

To enable the Animal and Plant Health Agency (APHA) to provide disease clearance to the certifying Official Veterinarian (OV) for 8315EHC an exporters declaration is required to be attached to the application in the Export Health Certificate (EHC) Online service.

Please complete the questions in this declaration and attach this document to your EHC Online application.

1. Is the finished product intended for the purpose of feeding to farm animals?

Yes No

2. Is the product made from ovine or caprine milk?

Yes No

3. If the answer to both of the above is 'yes' please provide:

a) The full addresses and country parish holding (CPH) numbers of the premises of origin of the sheep and/or goats were resident on when the milk was collected
