Dear Sir or Madam

Your permit surrender is complete

Permit reference: EA/EPR/RP3133BH/S008
Operator: THAMES POWER SERVICES LIMITED
Facility: Barking Power Station - EPR/RP3133BH

I'm pleased to confirm that our determination of your above application is complete.

We're satisfied that you have taken necessary measures to:

- avoid a pollution risk from the operation of the regulated facility; and
- return the site to a satisfactory state, having regard to the state of the site before the facility was put into operation.

We therefore accept the permit surrender, which takes effect from 14/12/2020.

If you're entitled to a pro rata refund of previously paid subsistence fees, our Finance Team will arrange this. For billing queries, please contact the address on your subsistence invoice. You can also find charging information on our website at:

<https://www.gov.uk/government/publications/environmental-permitting-charging-scheme-2019>

If you want to carry out any activities that need an environmental permit you must apply for a new one.

If you have any questions about permitting, please phone our Customer Contact Centre on 03708 506 506. They will put you in touch with a local area officer.

Yours faithfully

Louise Hann
Permitting Team Leader
