Dear [REDACTED]

I am writing in response to your email dated 11 November October 2019. I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

*I would like to request any technical service data relating to the now obsolete Burndept BE515 SARBE-6 radio equipment.*

*Request is for specifically service data to electronic component level, such as service manuals, schematic diagrams, board layout diagrams, technical descriptions, EMERs and equivalent technical documentation from relevant services,*

In response to your queries, I have completed a search for the information within the Defence Electronics & Components Agency (DECA), and I can confirm that **we do not hold information in scope of your request.**

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB or by e-mailing [CIO-FOI-IR@mod.uk](mailto:CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has ended.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process is complete. You can find further details of the role and powers of the Information Commissioner on the [Commissioner's website](#).

Regards
