Dear [REDACTED]

I am writing in response to your email dated 06 April 2019.

I'd like to make a request under the Freedom of Information act for all transactions over £25,000 by the Defence Support Group from January 2014 to April 2015.

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA). In response to your queries, I have completed a search for the information within the Defence Electronics & Components Agency (DECA), and I can confirm that **we do not hold information in scope of your request. MOD passed information relating to the Defence Support Group (DSG) to Babcock as part of the sale process.**

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB or by e-mailing CIO-FOI-IR@mod.uk. Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has ended.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process is complete. You can find further details of the role and powers of the Information Commissioner on the [Commissioner's website](#).

Regards
