### **Memo Serial No: 16**

Date: 4 October 2017

Subject: SES Stage 2 Claims for Supported Employment

Action: For PRIME provider Information/Action

Timing: Immediate

### **Information**

We have updated the guidance to state that you can now claim short job outcomes even if you support customers when they start work. Providers may continue to support customers and employers to ensure that the work is sustained. This does not include subsidised employment i.e. where wage incentives are paid. This is effective for job outcome claims for customers in stage 2 only, from Sept 2017.

### **Provider action**

Please read the enclosed amended Provider Guidance Chapters 1 and 13 and raise any issues with your Performance Manager, or seek clarification with DWP SES Policy via the inbox below.

### **Further information and contact details**

Changes to the guidance will be uploaded to GOV.UK within 2 weeks
