Subject: Release of Chapter 13 SES Provider Guidance – Universal Credit

Action: For Information

Timing: Immediate

Information

Chapter 13 of the [SES Provider Guidance](#) has been produced to reflect referrals of Universal Credit claimants. Whilst originally planned for 6 April 2016 to coincide with the implementation of referral processes into UC services, ensuring robust security arrangements and their appropriate clearance has delayed its publication. We are now satisfied that the processes adopted for UC claimants are security compliant and the chapter has been published and is available for viewing.
