EXPLANATORY MEMORANDUM TO

THE SOCIAL FUND FUNERAL EXPENSES PAYMENT (AMENDMENT) REGULATIONS 2021

2021 No. [XXXX]

1. Introduction

1.1 This explanatory memorandum has been prepared by the Department for Work and Pensions and is laid before Parliament by Act.

2. Purpose of the instrument

2.1 This instrument addresses deficiencies in retained EU law relating to social fund funeral expenses payments arising from the withdrawal of the United Kingdom from the European Union. It is made under section 8 of the European Union (Withdrawal) Act 2018 (the "2018 Act"). The law it addresses has been retained under section 2 of the same Act. It amends the Social Fund Maternity and Funeral Expenses (General) Regulations (the "2005 Regulations) so that a reference to a "member State of the European Union" also refers to the United Kingdom to reflect its position as an independent State. This will maintain the status quo for eligible EEA nationals and their family members organising a funeral in the UK.

What did any relevant EU law do before exit day?

2.2 The 2005 Regulations form part of English and Welsh domestic legislation. Regulation 7(9)(a) and 7(10) form part of EU-derived domestic legislation and allowed for eligible EEA nationals and their family members to be awarded a social fund funeral expenses payment for funerals taking place in "a member State of the European Union, Iceland, Liechtenstein, Norway or Switzerland". As the United Kingdom was a Member State of the European Union this included funerals in the United Kingdom.

Why is it being changed

2.3 Without the amendments, as the United Kingdom is no longer a member of the European Union, eligible EEA nationals and their family members could be awarded a social fund funeral expenses payment for a funeral taking place in countries in the EEA or Switzerland, but not in the United Kingdom. What will it now do?

2.4 It will maintain the status quo for eligible EEA nationals and their family members, who will continue to be able to be awarded a social fund funeral expenses payment for a funeral taking place in either the United Kingdom, the EEA or Switzerland.

4. Extent and Territorial Application

- 4.1 The territorial extent of this instrument is England and Wales.
- 4.2 The territorial application of this instrument is England and Wales.
- 4.3 Corresponding legislation for Northern Ireland will be produced and led by the Department for Communities in Northern Ireland.

5. European Convention on Human Rights

5.1 As this instrument is subject to the negative resolution procedure and it does not amend primary legislation, no statement is required.

6. Legislative Context

6.1 The 2018 Act contains a power to make secondary legislation to 'fix' legal inoperabilities and other deficiencies that will arise on exit in retained EU law. This includes EU-derived domestic legislation.

- 6.2 This instrument amends Regulation 7(9)(a) of the 2005 Regulations by substituting "Norway or Switzerland" with "Norway, Switzerland or the United Kingdom." The full text of Regulation 7(9)(a) currently reads "in a case where paragraph (10) applies, in a member State of the European Union, Iceland, Liechtenstein, Norway or Switzerland".
- 6.3 This amendment will maintain the status quo for persons falling within Regulation 7(10) of the 2005 Regulations, so that they can continue to be eligible for a social fund funeral expenses payment if they hold a funeral in the United Kingdom. This amendment is necessary because the United Kingdom is no longer a "member State of the European Union".

7. Policy background

What is being done and why?

- 7.1 This instrument is needed to maintain the policy position that eligible EEA nationals and their family members should be able to claim a Social Fund Funeral Expenses payment for funerals taking place in the United Kingdom as well as in EEA states and Switzerland, now the United Kingdom is no longer a Member State of the European Union.
- 7.2 Social Fund Funeral Expenses Payments help eligible claimants with the cost of arranging a funeral. Funeral Expenses Payments meet the full, necessary costs of a cremation or burial; these are broadly, the cost of purchasing a grave with exclusive burial rights, basic crematorium or burial fees, the costs of necessary documentation and (in some cases) transport of the deceased's body. An additional discretionary element can be used to help pay for items such as the coffin, church and funeral director fees. The discretionary element is capped at £1000 (or £120 where the claimant is provided with some items or services under a prepaid funeral plan).
- 7.3 To qualify for a Social Fund Funeral Expenses Payment a claimant must first qualify for certain income related benefits such as Income Support, income-based Jobseeker's Allowance, income-related Employment and Support Allowance, Pension Credit, Housing Benefit, the disability or severe disability element of Working Tax Credit, Child Tax Credit, Universal Credit, Support for Mortgage Interest. EEA citizens resident in the UK prior to the end of the transition period (11pm 31 December 2020) and their family members need to apply to the EU Settlement Scheme (EUSS) to continue living in the UK after 30 June 2021. Those

granted settled status will have the same access to benefits as comparable British citizens.

- 7.4 All non-British citizens (excluding Irish citizens) who arrive from 1 January 2021, except for in special circumstances, will be restricted from accessing income-related benefits until they have achieved indefinite leave to remain, typically after 5-years.
- 7.5 This instrument makes a minor change to domestic legislation to reflect that the UK is no longer a Member State of the European Union. Regulation 7(9)(a) of the 2005 Regulations implicitly refers to the United Kingdom as a Member State of the European Union so an amendment is made to reflect the United Kingdom's new status as a state independent of the European Union.

8. European Union (Withdrawal) Act/Withdrawal of the United Kingdom from the European Union

8.1 This instrument is being made using the power in section 8 of the 2018 Act in order to address deficiencies in the 2005 Regulations arising from the withdrawal of the United Kingdom from the European Union. In accordance with the requirements of that Act the Minister has made the relevant statements as detailed in Part 2 of the Annex to this Explanatory Memorandum.
