

Notice to Traders 01/20

Additional Import Tariff Quota for Poultrymeat from Ukraine

Introduction

This notice is to inform you of an additional quantity available to import under the Import Tariff Quota for 2020.

The additional quantity is detailed in Annex 1 attached, and will be managed using rights applications and licence applications.

Import Rights applications

For this additional sub-period 1 February 2020 to 31 March 2020, you may apply for import rights between 1 February 2020 and midnight on 7 February 2020.

Your application must not exceed 25% of your reference quantity for the 2020 quota year which was determined to support your application in December 2019. This means the quantity may not exceed what was stated on your application in December 2019. Your application must be supported by a security €35 per 100kgs.

Import rights will be valid until 31 December 2020 and are not transferable.

Licence applications

Your application can only be submitted in the Member State where you have obtained import rights. Your application cannot exceed the quantity for which you have been awarded import rights.

In box 8, the country of origin, you must indicate 'Ukraine' and put a cross in the 'Yes' box. This means your licence will only be valid to import from Ukraine.

In box 20, special particulars, you must state 'Implementing Regulation (EU) No 2078/2015.

Your application must be supported by a security of €75 per 100kgs.

Licence / rights securities

In box 11 (for licences) or part C (for rights) you should state:

- the amount of security expressed in the same unit of currency that your guarantee is lodged;
- the type of security, for example 'block guarantee', 'cash' or 'single transaction guarantee'; and
- the trader number of the block guarantee holder if you are using another trader's block guarantee

If you are using another trader's block guarantee you must make sure that your cross-reference details are set up before you send us your application.

Note: We will reject your application if the cross-reference is not set up and you do not submit security in another format within the application period.

We will not accept any amendments to block guarantees after the application period has closed. This includes cross-reference amendments.

Licence validity period

Your licence will be valid for 30 days. However, licences will not be valid beyond 31 December 2020.

Release of security

You must return your paper licences within **45 days** of the expiry date or you will forfeit your security.

Security against the main electronic licence (excluding extracts) will be released automatically upon attribution of at least 95% of the licence quantity.

Your import rights security will be released proportionately when licences are applied for.

Authority

You can find details in Commission Implementing Regulation (EU) No 2078/2015 published in Official Journal L302. You can get copies from Stationery Office bookshops and accredited agents, or ordered from [the Stationery Office website](#).

You can also access the Official Journals electronically by visiting [the Commission's website](#). We are not responsible for the accuracy or completeness of the Europa website. Whilst every care has been taken in producing this guidance, the regulations as published are definitive.
