Name of agreement	Parties	Nature of agreement	Date agreement was made	Health services to which it relates
Interim Arrangements 1 January 2021 – 31 March 2021	<ul style="list-style-type: none"> <li>(1) NHS England</li> <li>(2) Independent Sector Providers listed in part 1 of Annex A</li> <li>(3) NHS Trusts and providers listed in part 2 of annex A</li> <li>(4) All CCGs as listed in part 3 of Annex A</li> </ul>	Contract to govern the provision of health services listed in the column to the right by IS Providers to support NHS provision of elective care	Heads of terms agreed 4 December 2020	<p>From 1 January 2021 until 31 March 2021 the IS Providers listed in Annex A, together with NHS England, will continue to enable co-operative working to take place at a local level to make private sector capacity and resources available to the NHS to deliver services to patients in England and to provide ‘buffer capacity’ to help the NHS cope with the healthcare pressures caused by the Covid-19 pandemic. This process involves local implementation arrangements between IS Providers and NHS England.</p> <p>The heads of terms set out the principles agreed for the new contract which will replace the previously notified agreement. The agreement is between the independent providers and NHS England, but will involve co-operation and working together with the local NHS bodies listed. Unless the provisions to deal with surge are activated the services are NHS inpatient and outpatient (including full supporting pathology, imaging and other diagnostics) services and urgent and routine elective care and cancer treatment to Service Users in line with nationally set criteria, as delivered by the Provider at any time during the period 1 October – 31 March 2021 together with further services which would otherwise be contracted under the new NHS framework for the provision of services.</p> <p>In particular the new arrangement reflects a move to volume based contracting, and greater involvement of the private sector bodies in allocating the work, to enable the services be provided most efficiently. It is hoped that over the course of the period the arrangements can be wound down to enable a return to business as usual from 1 April 2021.</p> <p>A number of the terms of the current contract notified in October will apply to the new contract subject to the amendments set out in clause 10 of the Heads of Terms.</p>
