Information on import/export licences including tariff rate quotas during the transition period

What will happen to your import/export licences after the UK leaves the EU on 31 January 2020?

The Government's Withdrawal Agreement Bill has now been agreed by Parliament and achieved Royal Assent. The UK will leave the EU on 31 January 2020 and enter into a transition period until 31 December 2020. During the transition period current EU legislation will continue to apply to import/export licencing including tariff rate quotas. Therefore the conditions/obligations of your licence will remain unchanged.
