

Notice to Traders 21/20

Imports of Rice Under Commission Regulation (EU) no. 1273/2011

Introduction

This notice explains how the rules are applied to this quota and how to apply for a licence. It also advises you of the quota amounts available in the July quota period for semi milled, wholly milled, husked and broken rice. Details of the quantities available are outlined in Annex 1 of this notice.

Proof of Trade

The following must be supplied to be eligible for a rice quota licence. If you do not have the proof of trade as detailed below, you are not eligible and cannot apply.

You must be established and registered for VAT in the Member State where you apply. You must inform us of your current VAT registration number, which can be provided on the quota licence application. However, if your company is part of a group VAT registration number then we require a hard copy of your current VAT certificate to be received before the quota deadline.

If this is your first application of the quota year you must provide evidence to prove that you have imported rice at least once during:-

- The 12 month period immediately prior to the time of application; and
- The 12 month period immediately prior to that.

HMRC agents or representatives cannot apply for import licences under these quota arrangements

Note: For details of the full procedures on providing proof of trade and applying for licences, please refer to Notice to Traders 38/19. You can obtain a copy of this notice by sending an e-mail to trader@rpa.gov.uk. If you do not follow the rules of the scheme, your application will be rejected.

Applications

Quota applications must be received within the first 10 working days of July 2020. It is your responsibility to ensure that your application, all supporting documentation and the security are correct at the time of submission and they are received by the RPA no later than 12-noon on the 10th working day.

Note: We will reject any applications where the application, supporting documents, securities and / or proof of trade are received after 12-noon (UK time) on 14 July 2020.

We advise you to use the latest version of the application form, which you can find [here](#). You can also find information on the changes to licensing rules in Notice to Traders [38/16](#).

You can submit applications either by post or e-mail. The e-mail address for licence applications trader@rpa.gov.uk

Your application must not exceed the quantity available in each sub-period for the country of origin of the product for which you are applying.

Box 24 must contain an entry. You will find details of the required entry in Annex 1 of this notice.

Applications for rice and broken rice originating in Thailand, Australia or the United States under Articles 1(1)(a) and 1(1)(c) of Regulation (EU) No. 1273/2011 must be accompanied by the original export licence. The licence must have been completed in accordance with the model set out in Annexes II, III and IV of Regulation (EU) No. 1273/2011 and issued by the competent body in these countries.

The completion of sections 7, 8 and 9 of the Thai export licence is optional.

You must not lodge more than one import licence application for the same quota order number in a sub-period, unless it is accompanied by an export licence.

Note: If you lodge more than one application for the same quota order number, all your applications will be rejected.

Security

Security must be lodged with each licence application, the following amounts must be provided:

- €46 per tonne for applications under CN codes 1006 30;
- €30 per tonne for applications under CN codes 1006 20;
- €5 per tonne for applications under CN codes 1006 4000.

You can find further information on how to lodge your security by searching for [Licence securities for the import/export of agricultural products on GOV.UK](#).

Issuing Licences

The European Commission will notify us of the quantity for which licences may be issued within 2 weeks of the application deadline (this may be less than the quantity applied for). Where this reduces the quantity to be issued to less than 20 tonnes, lots will be drawn.

If the quantity of your licence has been reduced to less than 20 tonnes, you may withdraw your licence application within 2 working days of the date when the reduction is set.

When we have been notified by the Commission of the quantity of quota allocated, we will issue a licence within 3 working days.

Your licence will have a 5% upward tolerance. However, the reduction in duty will only be valid for the quantities shown in sections 17 and 18 of your licence.

Import licences will be valid from the day of issue plus either two or three months. Further details can be found in the relevant quota section of Annex 1 to this notice. Where an electronic licence is issued, an e-mail can be sent to inform you of its issuance. To receive this e-mail notification you must have already completed the appropriate section of [il3 form](#).

Authority

You can find details of the arrangements in Commission Implementing Regulation (EU) No's, 1273/2011 and 1301/2006 published in Official Journals L325 of 2011 and L238 of 2006. You can obtain copies from Stationery Office bookshops and accredited agents, or order from the [Stationery Office website](#).

You can also access Official Journals electronically by visiting the [Commission's Europa website](#). We are not responsible for the accuracy or completeness of the Europa website. Whilst every care has been taken in producing this guidance, the regulations as published are definitive.
