

1 February 2021

**ANTICIPATED ACQUISITION BY UBER INTERNATIONAL B.V., A
WHOLLY OWNED SUBSIDIARY OF UBER TECHNOLOGIES,
INC., OF GPC COMPUTER SOFTWARE LIMITED AND ITS
SUBSIDIARIES (AUTOCAB)**

**Notice of extension of the initial period mentioned in section
34ZA(1) of the Enterprise Act 2002 (the Act) published pursuant to
section 107(1)(ac) of the Act**

On 29 January 2021 the Competition and Markets Authority (**CMA**) gave notice under section 34ZA(3) of the Act that the initial period in relation to the anticipated acquisition by Uber International B.V., a wholly owned subsidiary of Uber Technologies, Inc., of GPC Computer Software Limited and its subsidiaries had commenced.

On 29 January 2021 the CMA issued a notice to GPC Computer Software Limited (**Autocab**) under section 109 of the Act requiring the provision of certain information by 5:30pm on 29 January 2021 (the **Notice**). The information required has not been provided to the satisfaction of the CMA. Autocab has, therefore, failed (with or without a reasonable excuse) to comply with a requirement of a notice under section 109 of the Act.

Accordingly, the CMA has decided that, pursuant to section 34ZB(1) of the Act, the initial period should be extended until Autocab provides the information to the satisfaction of the CMA as required by the Notice or the CMA cancels this extension.

The extension comes into force on the date of publication of this notice.
