

Note on corrections to Strategic Export Controls: licencing statistics

The following corrections have been made to Strategic Export Controls: licencing statistics since they were last published on 17 April 2018:

- Commentary
- Table A (2017, 2017 Q3)
- Table B (2017, 2017 Q3)
- Table C (2017, 2017 Q3)
- Table F (2017, 2017 Q3)
- Country pivot report, 2017
- Country pivot report 2017 Q3

These corrections reflect the addition of 7 refused SEILs. The licences were previously not included due to an error in the licencing system.

The next update, covering licencing statistics for 1 January to 31 March, will be published on 17 July 2018.
