Dear [REDACTED]

RE: Request for Information – RFI3236

Thank you for your request for information which was processed under the Freedom of Information Act 2000 (FOIA). For clarification, you requested the following information:

Please can you provide information about the number, nature and frequency of vehicles arriving or departing from your Northstowe site through the entrance onto Station Road, Oakington, Cambridgeshire

Response

We can confirm that Homes England does not hold the information detailed in your request. This is because there is no legal or business reason for Homes England to do so.

In order to conclude that the information is not held, we have searched with our Northstowe Project team who would have the requested information if held.

The FOIA does not oblige a public authority to create information to answer a request if the requested information is not held. The duty under section 1(1) is only to provide the recorded information held.

The full text of section 1 in the legislation can be found here:

<https://www.legislation.gov.uk/ukpga/2000/36/section/1>

Advice and Assistance

We have a duty to provide advice and assistance in accordance with Section 16 of the FOIA. To comply with this duty we are able to confirm that this is not a construction entrance to the site or an access for use by any of the appointed contractors. Our tenant farmer and another farmer with access along Longstanton Road may occasionally use this access. However, we are aware there may have been some unauthorised use by some subcontractors to which we have addressed.
