II. HEALTH ATTESTATION

I, the undersigned Official Veterinarian, hereby certify that the collagen described in this certificate was produced in accordance with the following requirements:

II.1 It has been manufactured in a food approved facility registered with the UK competent authority.

II.2 Collagen has been produced from the skins/hides (hide splits) of bovine animals, which have passed ante-mortem and post-mortem inspection and been found fit for human consumption.

II.3 During manufacture and storage in the United Kingdom, the collagen has not come into contact with products likely to contain BSE infectivity (specified risk material), in accordance with the Specific Foodstuffs Hygiene (EU Exit) Regulations 2019 for control of collagen for human consumption.

II.4 The products comply with the UK legislation applicable to food hygiene and contaminants.
