Dear ██████████

**THE OFFSHORE OIL AND GAS EXPLORATION, PRODUCTION, UNLOADING
AND STORAGE (ENVIRONMENTAL IMPACT ASSESSMENT) REGULATIONS
2020**

**NOTIFICATION OF DECISION TO AGREE TO THE GRANT OF CONSENT -
PURSUANT TO REGULATION 14(5)**

Evelyn Field Development

On 05 March 2020 Tailwind Mistral Ltd submitted an Environmental Statement (ES) for the above project to The Offshore Petroleum Regulator for Environment and Decommissioning (OPRED). OPRED acts on behalf of the Secretary of State for Business, Energy, and Industrial Strategy. Following review of the ES and representations received, Tailwind Mistral Ltd was requested to provide further information which was provided in a consolidated document and submitted to OPRED on 03 August 2020.

The Department has now completed its review of the environmental statement and the representations received relating to the environmental effects of the project and considered the further information that was provided to inform our review and in accordance with regulation 14(1) can conclude there are no significant effects of the project on the environment and therefore The Secretary of State agrees to the grant of consent.

The decision, which sets out the conclusion on any significant effects of the project on the environment, any conditions attached the agreement, and a description of any features of the project or measures to avoid, prevent, reduce or offset any significant adverse effects on the environment is appended below.
