Miss Shannon Branson

AND

2. Tiny Terrorz Ltd

JUDGMENT

The judgment of the Tribunal is as follows:

I have been provided with a copy of the First Respondent's letter dated 16 February 2021 to the Tribunal, attaching (i) Penalty Notice dated 20 January 2021 from the ET Financial Penalty Team to the Respondents; (ii) exchange of e-mails between the First Respondent and the ET Financial Penalty Team, and (iii) form of Notice of Dissolution dated 29 September 2015 in relation to the Second Respondent. I have treated the First Respondent's correspondence as an application for reconsideration of my judgment in this case, pursuant to r.71 of the Tribunal rules, and I have had regard to r.70. Having considered the above application, in my judgment there is no reasonable prospect of the original judgment being varied or revoked. The First Respondent's application for reconsideration is, therefore, refused.
