Schedule for multiple requests for appointment or change of agent (GB Patents or applications)

Please use this form if you have <u>more than one</u> request relating to the same new Address for Service. Please use the **GB** reference number in the column indicated for each case you wish to change.

Difference between GB & EP Patents

GB – Granted Patent or Patent Application filed with the Intellectual Property Office having a GB prefix

EP – European patent (UK) means a patent granted under the EPC (European Patent Convention) designating the United Kingdom as a country in which protection is sought

EP Patents for which you would like to make a change should be recorded on the next page only (2/2)

GB Patent number	Applicant/Proprietor details	Office use
