Project Delivery Function

Delivering for Defence

Projects, programmes and portfolios play a critical role in delivering Defence capabilities to meet the challenges of today and tomorrow. Our people ensure that delivery remains at the heart of government policy.

Strategic objectives

1. Basics

Promote a clear direction for project delivery ensuring ownership and value for money through our policies, standards and guidance

2. People

Attract and develop a thriving, inclusive community built around a sense of belonging

3. Operation

Provide a source of challenge and support throughout Defence project delivery lifecycles

4. Insight

Strengthen decision making through improved reporting, to guide priority interventions and future investment

5. Trust

Be the go-to trusted partner and advocate for Defence programmes

6. Enabler

Be a leader in diversity, advocating programmes as the vehicle for Defence modernisation and transformation

Benefits

- ✓ More projects being delivered to time, to cost and to quality
- ✓ A stronger workforce of motivated, diverse and capable professionals
