This survey is for you to say what you think about your school. It is not meant to be a way of making a complaint to Ofsted. If you feel the school is not doing enough to keep you safe, you should ask your parent or carer to speak to the school about it. If your parent or carer is not happy with the school's response they can follow the school's complaints procedure. They can also contact children's social care at your local council if they are worried about your safety.

If you have any worries yourself you can call Childline on 0800 1111 or contact them online: <https://www.childline.org.uk/get-support/>

The Office for Standards in Education, Children's Services and Skills (Ofsted) regulates and inspects to achieve excellence in the care of children and young people, and in education and skills for learners of all ages. It regulates and inspects childcare and children's social care, and inspects the Children and Family Court Advisory and Support Service (Cafcass), schools, colleges, initial teacher training, further education and skills, adult and community learning, and education and training in prisons and other secure establishments. It assesses council children's services, and inspects services for children looked after, safeguarding and child protection.
