Q1. How many people are employed by your organisation, including full time and part time?

I am an independent regulator supported by a team of three full-time Home Office staff who make use of Home Office systems. I have no IT systems which are bespoke to or otherwise owned by me. You may consider a separate request to be made to the Home Office under the provisions of the Freedom of Information Act should you require information regarding matters relevant to the Home Office.

If you are dissatisfied with this response you may request an independent internal review of our handling of your request by submitting a complaint within two months to the address below, quoting reference SCC/FOI/06/20/OA. If you ask for an internal review, it would be helpful if you could say why you are dissatisfied with the response.

As part of any internal review my handling of your information request will be reassessed by staff that were not involved in providing you with this response.
