HEALTH CERTIFICATE FOR THE IMPORT INTO, AND TRANSIT WITHIN DENMARK OF HAY/STRAW
FROM GREAT BRITAIN

EXPORTING COUNTRY: GREAT BRITAIN
CERTIFYING VETERINARIAN: OFFICIAL VETERINARIAN

The under signing Official Veterinarian acting on behalf of the Department for Environment, Food and Rural Affairs, as the competent authority, declare that the consignment of hay/straw feed detailed by the exporter below in part A is plant-based stock feed as described in Certificate number 8634EHC.

The Official Veterinarian certifies that foot and mouth disease, classical swine fever, swine vesicular disease, African swine fever, and contagious bovine pleuropneumonia do not exist in Great Britain.

The products described below do not contain any animal material based on evidence provided by the exporter.¹

A. EXPORTER PROVIDED INFORMATION:

I. Exporter name and address/Country of origin:

--

II. Product description

Product name:

Type of packaging and number of packages:

Net weight:

--

¹ Hay and straw do not contain any ingredients of animal origin and have not been in contact with live animals or products of animal origin after collection. The certificate will be signed by an Official Veterinarian.

III. Consignee name and address:

IV. Identification of shipment:

B. I HAVE SEEN A DECLARATION MADE BY THE EXPORTER DECLARING THAT:

The certified materials described above contain no ingredients of animal origin and have not been in contact with live animals or products of animal origin after collection. The information provided is honest and accurate.
