Introductory note

This introductory note does not form a part of the notice.

The following notice gives notice of the surrender in part of an environmental permit.

Changes introduced by this partial surrender are as follows:

Partial surrender of the unused permitted area including an open area of grassland, offices and part of a warehouse. The revised permitted area encompasses underground pipes carrying effluent and recycled cooling waters related to the process and is outlined on the attached maps.

Any changes made as a result of the part surrender are set out in the schedules.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
