**Note 1**

Goods taken from the business for personal use and not paid for amount to £1,520. This amount is therefore added to the net profit by entering the figure in box 60 (box 3.67).

**Note 2**

Rents received are for a part of the premises not used for business purposes. It's been agreed that they can be treated as business income for tax purposes. They're included in box 16 (box 3.50) but no adjustment is made in box 62 (box 3.71), and there's no need to include this figure in the UK property pages as it's fully accounted for here.

**Note 3**

Insurance costs and cleaning costs all relate to the business premises.

**Note 4**

50% of phone costs and 35% of motor expenses are for private, non-business use. These amounts are not allowable for tax. The amounts of £102 and £443 go in boxes 38 and 35 (boxes 3.36 and 3.37).

**Note 5**

A VAT surcharge of £351 was incurred. This amount is included under 'Other business expenses' in box 30 (box 3.63). It's not an allowable expense for tax purposes, and is therefore disallowed by including the amount in box 45 (box 3.45). Although the amount is relatively small it's material, because it's not allowable for tax purposes. A note would therefore be made in the 'Any other information' box, box 103 (box 3.116) to explain the tax treatment.

**Note 6**

Furniture and equipment used in the business premises are included in box 83 (box 3.99), 'Equipment, machinery and vehicles'.

**Note 7**

The cash and bank balances are not separated in the accounts, but the business records show that the bank balance was £6,085 and cash in hand was £723.

**Note 8**

An endowment policy matured during the year and the proceeds of £6,734 were paid into the business. A note of the source of these funds would be given in the 'Any other information' box, box 103 (box 3.116).
