Issue 7. RA2130 is in the 2021 PoW with significant changes to be made. In the interim, OiC RN Centre of Maritime SERE & UET has requested the removal of the MEDICAL SCREENING QUESTIONNAIRE PRIOR TO STASS WET DRILLS Annex B to RA2130, to resolve a recent audit finding. The hyperlink to the MAA gov.uk screening form has been added within a footnote in lieu of the form. This should provide a single screening form accessible to all, with a single issue number.
