

EMPLOYMENT TRIBUNALS

Claimant: Miss L Hamilton

Respondents: Healthcare Homes Group Ltd & others

JUDGMENT

The claim is struck out.

REASONS

1. By order dated **8th February 2021** the Tribunal gave the claimant an opportunity to make representations, as to why the claim should not be struck out because
 - The claimant had failed to attend a hearing without reasonable excuse and was given 14 days to provide written reasons as to why she failed to attend and failing which the Tribunal considered that
 - The claim was not being actively pursued.
 - The claimant has previously already been on a strike out warning but the claim was not struck out on that occasion as the file was not then referred to a Judge to do so.
2. The claimant has failed to make representations in writing why this should not be done. The claimant has merely by email dated 22nd February 2021 state she was dealing with some personal matters since the hearing and not attended as she did not think she had to. She had no information to provide than she already had. This is not acceptable and her claims are not in a form that can be responded to. The claimant has been warned about this course of action previously on more than one occasion as set out in the Order. The claim is therefore struck out.
3. Any further hearings listed will not take place.
