

# EMPLOYMENT TRIBUNALS

**Claimant:** Mr Renford

**Respondent:** Mitie Ltd

## JUDGMENT

The claimant's application dated **14 December 2020** for reconsideration of the judgment sent to the parties on **3 December 2020** is refused.

## REASONS

1. There is no reasonable prospect of the original decision being varied or revoked, because, whilst the claimant may disagree with the decision reached, there is nothing in the application to indicate that it would be necessary in the interests of justice to reconsider that decision.
2. The decision was reached after consideration of the evidence at a hearing in which the claimant had a full opportunity to present his case. There is nothing in the application to suggest that any administrative error has resulted in a wrong decision, nor that new evidence has become available which was not considered at the hearing, nor that there is any other basis on which it could be said to be in the interests of justice to reopen the decision.
