

EMPLOYMENT TRIBUNALS

Claimant: Mr B Ganji

Respondent: University of Reading

JUDGMENT

The claimant's application dated 25 March 2021 for reconsideration of the ruling on the application for disclosure sent to the parties on 11 March 2021 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked, because the case management decision made on the 17 February 2021 is in my view clearly correct. The claimant's lengthy application disclosed no grounds on which it can be shown to that the decision was wrong or otherwise that it is necessary to reconsider the decision.
