

## **HARBOURS ACT 1964 (AS AMENDED)**

### **PROPOSED ST IVES (G7 SUMMIT) HARBOUR REVISION ORDER 20[ ]**

#### **NOTICE OF APPLICATION FOR A HARBOUR REVISION ORDER**

NOTICE IS HEREBY GIVEN that Cornwall Council (“the applicant”) has applied to the Marine Management Organisation (“MMO”) for a harbour revision order under section 14 of the Harbours Act 1964.

The proposed Order would extend the harbour limits of St Ives Harbour to include all of St Ives Bay, apart from Hayle Harbour (‘the additional area’) during a period of up to 9 days over the G7 Summit in June 2021 (‘the G7 period’). During the G7 period, the applicant, as statutory harbour authority, would be able to make general directions and special directions in St Ives harbour and the additional area. Any general and special directions made under the Order and the Order itself would cease to have effect on the G7 termination date (15<sup>th</sup> June 2021). The Order also permits the applicant to nominate persons to a Justice of the Peace. The Justice of the Peace can appoint those persons to act as constables within the harbour police area (St Ives harbour, the additional area and within one mile of those areas) for all or part of the G7 period. Once appointed, while acting as a constable within the harbour police area, the persons appointed (all of which will be serving police officers) will have all the powers and privileges of a constable. Powers contained in the Aviation and Maritime Security Act 1990 apply to areas within the jurisdiction of a harbour authority. Therefore, during the G7 period the powers will also apply to the additional area. This means that the Secretary of State can direct the applicant to apply for a restricted zone over all or part of the additional area (in addition to St Ives harbour and Hayle harbour where the powers already apply).

The proposed order would not authorise the construction or alteration of a project. Accordingly, an environmental statement has not been supplied.

A copy of the draft order and accompanying documents is deposited at the offices of the applicant at: Harbour Masters Office, Smeatons Pier, The Wharf, St Ives, Cornwall, TR26 1LP. These may be inspected at all reasonable hours (by appointment only) until the expiry of the forty-two day period referred to below.

The draft order and accompanying documents are also available for inspection at the offices of the MMO in Newcastle by appointment at the email address below or may be viewed on the MMO’s website at:

An objection or representation **should:**

- i. Be received before the expiry of a period of 42 days starting with the date at the foot of this notice;
- ii. Be made in writing and quoting reference HRO/2021/00003;
- iii. State the grounds of the objection or representation;
- iv. Indicate who is making the objection or representation; and
- v. Give an address to which correspondence relating to the objection or representation may be sent.

The MMO will pass to the applicant and their relevant representatives a copy of any objections and other representations received.

If an objection is duly made and not withdrawn then the MMO may cause an inquiry to be held. Any objections duly made and not withdrawn and any representations duly made will be considered before the MMO decides whether or not to make the order.
