

MGN 440 (M) Amendment 1

Measures to Counter Piracy, Armed Robbery and other Acts of Violence against Merchant Shipping

Notice to all Ship Owners, Ship Operators, Masters and Crew

This notice replaces Marine Guidance Note 440(M) issued in November 2011.

Summary

This Marine Guidance Note (MGN) provides links to websites containing information countering Piracy, Armed Robbery and other Acts of Violence against Merchant Shipping.

The UK Government confirms its existing policy on the use of armed guards onboard UK flagged ships and recognises that the engagement of armed guards is an option to protect human life onboard UK registered ships from the threat of piracy, but only in exceptional circumstances and where it is lawful.

This MGN includes a link to DfT's *Interim Guidance to UK Flagged Shipping on the use of Armed Guards to Defend Against the Threat of Piracy in Exceptional Circumstances*, in support of the above policy.
