

Case No: 2304872/2019

THE EMPLOYMENT TRIBUNAL

Claimant **24 British Maintenance Ltd**
Respondent **Commissioners For Revenue and Customs**

JUDGMENT

The claimant's application dated 14 March 2021 for reconsideration of the Tribunal's judgment, sent to the parties on 26 February 2021 is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked. The arguments raised in the application could and should have been raised at the time. The application is an attempt to re-litigate matters, which is not permissible. The Tribunal has provided full reasons for its decision based on the evidence presented at the time and the law. The Claimant's application does not disclose any arguable basis to reconsider the judgment.
