## Contracts for Difference: Stakeholder Bulletin

29/01/2021

### Extension to the Call for Evidence on Enabling a High Renewable, Net Zero Electricity System

Recognising the ongoing challenges brought by the coronavirus pandemic, BEIS has decided to extend the deadline for responses to the call for evidence on Enabling a High Renewable, Net Zero Electricity System, by two weeks. The call for evidence opened in December, and will now close on 8<sup>th</sup> March 2021.

Responses will inform the design of the fifth CfD allocation round, as well as the longer-term future of government support for renewable projects.

If you have any questions, or would be interested in joining an online presentation on the call for evidence, please email the CfD team at [BEISContractsForDifference@beis.gov.uk](mailto:BEISContractsForDifference@beis.gov.uk).

**Purpose & scope of this list:** This list is managed by the Department for Business, Energy and Industrial Strategy (BEIS) (and any successor departments) and will be used to inform interested parties of policy developments relevant to the Contract for Difference scheme for renewable energy projects (and any direct successor schemes). It is not used for any other purposes.

**To be removed from the circulation list:** Please send a blank e-mail with the subject 'opt out' (if the receiving e-mail you use is different to the one you send the e-mail from, include that e-mail address in the subject of the e-mail) to 1.
