Contracts for Difference: Stakeholder Bulletin

19/02/2021

Q&A session on the Call for Evidence: Enabling a High Renewable, Net Zero Electricity System

With just over two weeks until our Call for Evidence closes, we are keen to address any questions you may have on the topics explored and start early discussions. As a reminder, responses to our Call for Evidence will be used to inform the design and evolution of our renewable support schemes, particularly the Contracts for Difference scheme.

To support this, we will be running a virtual stakeholder event on the Call for Evidence to explore the main themes and give you the opportunity to ask questions and seek clarifications. The event will run on **15:00 – 16:00 Friday 26th February**. All are welcome to attend, particularly if you haven't had chance to make any of the previous sessions held with some of the industry's trade associations.

If you would like to join the event, please email . You will then be sent the link to the MS Teams meeting.
