25 February 2021

Dear [REDACTED],

Thank you for your email of 10 February in which you requested the following information:

“With Regards to DFRMO Please could you provide me with an up to date fleet list containing the following items.

Vehicle make

Vehicle Model

Vehicle role (example: RIV, Crash truck, WrL etc)

Vehicle location

Vehicle call sign

Please could this also include “white fleet/support vehicles” such as officers cars etc”

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (the Act). I am interpreting your request to be one for information regarding the fleet held by Defence Fire and Rescue (DFR), as the organisation “DFRMO” no longer exists. A search for the information has now been completed within the Ministry of Defence, and I can confirm that information in scope of your request is held and can be found attached.

Under Section 16 of the Act (Advice and Assistance) it may be helpful if I explain that the call signs are often interchangeable and are not assigned to one specific vehicle, which is why some entries have been left blank.

If you have any queries regarding the content of this letter, please contact this office in the first instance. Following this, if you wish to complain about the handling of your request, or the content of this response, you can request an independent internal review by contacting the Information Rights Compliance team, Ground Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.gov.uk). Please note that any request for an internal review should be made within 40 working days of the date of this response.

If you remain dissatisfied following an internal review, you may raise your complaint directly to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not normally investigate your case until the MOD internal review process has been completed. The Information Commissioner can be contacted at: Information Commissioner’s Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website at <https://ico.org.uk/>.

Yours sincerely,

[REDACTED]
