Mr P McQueen

General Optical Council

CERTIFICATE OF CORRECTION

Under the provisions of Rule 69 of the Employment Tribunals Rules of Procedure 2013, I hereby correct the clerical mistake in the Judgment on Reconsideration dated 9th April 2021 by deleting the said Judgment and Reasons and substituting the Judgment and Reasons attached.

The correction is that in paragraph 8 the words “and whose existence could not have been reasonably known of or foreseen ” are inserted after the words “he does not present new evidence that was not available” and before the words “at the original hearing”. This was what the Judge had intended to say and reflects the wording at paragraph 4. The corrected Judgment reflects this.

Important note to parties

Any dates for the filing of appeals or reviews are not changed by this certificate of correction and amended Judgments. These time limits still run from the date of the original judgments and/or reasons sent to the parties.
