●	1	1	Q2. How much thought, if any, would you say you give to saving energy in your home?	Base: All Adults in UK	4029
●	7	2	Q3. Do you support or oppose the use of renewable energy for providing our electricity, fuel and heat.	Base: All Adults in UK	4029
	16	3	Q4. How often, if at all, do you personally do any of the following? - Summary table	Base: All Adults in UK	4029
●	17	4	Q4_01. How often, if at all, do you personally do any of the following? - Leave the lights on when you are not in the room	Base: All Adults in UK	4029
●	26	5	Q4_02. How often, if at all, do you personally do any of the following? - Boil the kettle with more water than you are going to use	Base: All Adults in UK	4029
●	35	6	Q4_03. How often, if at all, do you personally do any of the following? - Wash clothes at 30 degrees or lower	Base: All Adults in UK	4029
●	44	7	Q4_04. How often, if at all, do you personally do any of the following? - Try to keep rooms that you are not using at a cooler temperature than those you are using	Base: All Adults in UK	4029
●	53	8	Q4_05. How often, if at all, do you personally do any of the following? - Leave the heating on when you go out for a few hours	Base: All Adults in UK	4029
●	62	9	Q4_DV. Whether respondent carries out all energy wasting behaviours at least occasionally.	Base: All Adults in UK	4029
●	71	10	Q8. Before today, had you heard of smart meters?	Base: All Adults in UK	4029
	76	11	Q12. Please tell me how much you agree or disagree with each of these statements - Summary table	Base: All Adults in UK	4029

	Page	Table	Title	Base Description	Base
●	77	12	Q12_01. Please tell me how much you agree or disagree with each of these statements - Renewable energy industries and developments provide economic benefits to the UK	Base: All Adults in UK	4029
●	85	13	Q12_02. Please tell me how much you agree or disagree with each of these statements - I would be happy to have a large scale renewable energy development in my area	Base: All Adults in UK	4029
●	93	14	Q12_03. Please tell me how much you agree or disagree with each of these statements - Renewable energy developments should provide direct benefit to the communities in which they are located	Base: All Adults in UK	4029
	101	15	Q13. Generally speaking, do you support or oppose the use of the following renewable energy developments - Summary table	Base: All Adults in UK	4029
●	102	16	Q13_01. Generally speaking, do you support or oppose the use of the following renewable energy developments - On-shore wind	Base: All Adults in UK	4029
●	110	17	Q13_02. Generally speaking, do you support or oppose the use of the following renewable energy developments - Biomass	Base: All Adults in UK	4029
●	118	18	Q13_03. Generally speaking, do you support or oppose the use of the following renewable energy developments - Off-shore wind	Base: All Adults in UK	4029
●	126	19	Q13_04. Generally speaking, do you support or oppose the use of the following renewable energy developments - Wave and tidal	Base: All Adults in UK	4029
●	134	20	Q13_05. Generally speaking, do you support or oppose the use of the following renewable energy developments - Solar	Base: All Adults in UK	4029

	Page	Table	Title	Base Description	Base
	142	21	Q14. How much you agree or disagree with the following statements. - Summary table	Base: All Adults in UK	4029
●	143	22	Q14_01. How much you agree or disagree with the following statements. - Nuclear energy will help combat climate change in the UK	Base: All Adults in UK	4029
●	151	23	Q14_02. How much you agree or disagree with the following statements. - Nuclear energy provides a reliable source of energy in the UK	Base: All Adults in UK	4029
●	159	24	Q14_03. How much you agree or disagree with the following statements. - Nuclear energy offers affordable energy for the UK	Base: All Adults in UK	4029
●	167	25	Q14_04. How much you agree or disagree with the following statements. - Nuclear energy provides a safe source of energy in the UK	Base: All Adults in UK	4029
●	175	26	Q14_DV. Whether respondent agrees with all statements regarding nuclear energy	Base: All Adults in UK	4029
●	183	27	Q14a. Whether support or oppose nuclear energy	Base: All Adults in UK	4029
●	190	28	Q15. How much, if anything, do you know about carbon capture and storage?	Base: All Adults in UK	4029
●	194	29	Q15ai. From what you know, or have heard about using carbon capture and storage in the UK, do you support or oppose its use?	Base: All who know a lot/little about carbon capture and storage	1304
●	199	30	Q15ai. From what you know, or have heard about using carbon capture and storage in the UK, do you support or oppose its use? - BASED ON ALL ADULTS	Base: All Adults in UK	4029
●	203	31	Q15a. Knowledge of hydraulic fracturing for shale gas before today	Base: All Adults in UK	4029

	Page	Table	Title	Base Description	Base
●	208	32	Q15b. From what you know, or have heard about, extracting shale gas to generate the UK's heat and electricity, do you support or oppose its use?	Base: All Adults in UK	4029
●	218	33	Q15c. You said that you support hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who support using shale gas	962
●	223	34	Q15d. You said that you oppose hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who don't support using shale gas	1422
●	233	35	Q15e. You said that you don't know whether you support or oppose/neither support nor oppose hydraulic fracturing for shale gas, otherwise known as fracking. Why is this?	Base: All who neither support nor oppose or have no opinion of using shale gas	1645
	238	36	Q16. Over the last three months, how worried, if at all, have you been about paying for the following - Summary table	Base: All Adults in UK	4029
●	239	37	Q16_01. Over the last three months, how worried, if at all, have you been about paying for the following - Energy bills	Base: All Adults in UK	4029
●	244	38	Q16_02. Over the last three months, how worried, if at all, have you been about paying for the following - Food and other household shopping	Base: All Adults in UK	4029
●	249	39	Q16_03. Over the last three months, how worried, if at all, have you been about paying for the following - Transport, including petrol/diesel and public transport costs	Base: All Adults in UK	4029
●	254	40	Q16_04. Over the last three months, how worried, if at all, have you been about paying for the following - Mortgage or rent payments	Base: All Adults in UK	4029
●	259	41	Q16_DV Those who are fairly/very worried about energy bills and less worried about food and other shopping/transport	Base: All Adults in UK	4029

	Page	Table	Title	Base Description	Base
●	264	42	Q16E. You said you were more worried about paying for your energy bills compared with some of the other outgoings I mentioned at the last question. Why is this?	Base: All very or fairly worried about energy bills and less worried about food or other household shopping and transport expenses	469
●	269	43	Q17a. Thinking about your gas and electricity supplier, have you switched your supplier for either or both of these?	Base: All Adults in UK	4029
	274	44	Q18. How much, if at all, do you trust your energy supplier to do the following? - Summary table	Base: All Adults in UK	4029
●	275	45	Q18_01. How much, if at all, do you trust your energy supplier to do the following? - Give customers a fair deal	Base: All Adults in UK	4029
●	280	46	Q18_02. How much, if at all, do you trust your energy supplier to do the following? - Provide you with a bill which accurately reflects the energy you have used	Base: All Adults in UK	4029
●	285	47	Q18_03. How much, if at all, do you trust your energy supplier to do the following? - Provide a breakdown of the components of your bill	Base: All Adults in UK	4029
●	290	48	Q18_04. How much, if at all, do you trust your energy supplier to do the following? - Inform you about the best tariff for you	Base: All Adults in UK	4029
●	295	49	Q18_05. How much, if at all, do you trust your energy supplier to do the following? - Improve your home to make it more energy efficient, if you paid them to do this	Base: All Adults in UK	4029
●	300	50	Q18_06. How much, if at all, do you trust your energy supplier to do the following? - Provide impartial and accurate advice on energy efficiency measures	Base: All Adults in UK	4029

	Page	Table	Title	Base Description	Base
●	305	51	Q18_DV. Do you trust your energy supplier to do all six of the actions at Q18	Base: All Adults in UK	4029
●	310	52	Q21. Concern about Climate Change	Base: All Adults in UK	4029
●	322	53	Q22. Thinking about the causes of climate change, which, if any, of the following best describes your opinion?	Base: All Adults in UK	4029
	335	54	Q23. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Summary table	Base: All Adults in UK	4029
●	336	55	Q23a_01. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Steep rises in energy prices in the future	Base: All Adults in UK	4029
●	345	56	Q23a_02. Thinking about the next 10-20 years, how concerned, if at all, are you about... - Power cuts becoming more frequent in the future	Base: All Adults in UK	4029
●	354	57	Q23b_01. Thinking about the next 10-20 years, how concerned, if at all, are you about... - UK supplies of fossil fuels not being sufficient to meet the UK's demand for them	Base: All Adults in UK	4029
●	363	58	Q23b_02. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK becoming too dependent on energy from other countries	Base: All Adults in UK	4029
●	372	59	Q23b_03. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK not investing fast enough in alternative sources of energy	Base: All Adults in UK	4029
●	381	60	Q23b_04. Thinking about the next 10-20 years, how concerned, if at all, are you about... - The UK not developing technology to use existing sources of fossil fuels sufficiently	Base: All Adults in UK	4029

	Page	Table	Title	Base Description	Base
●	390	61	Q23c. You said that you are [very / fairly] concerned about the UK becoming too dependent on energy from other countries. When you gave this answer, were you thinking about specific energy types?	Base: All who are very or fairly concerned about the UK becoming too dependent on energy from other countries	2885
●	394	62	Q37. As far as you know, which of these are used as energy sources in your home ... for example, to provide heating or to power appliances. Please exclude anything used outside of your home ... for example fuel for vehicles.	Base: All Adults in UK	4029
●	398	63	Q220. Now a question on a different topic... The Government promotes the concept of 'Net Zero'. Before today, how much, if anything, did you know about this concept?	Base: All Adults in UK	4029
●	402	64	Q180. Views about the impacts of climate change in the UK	Base: All not saying there isn't such a thing as climate change	3977
	409	65	Q181. And how much, if at all, do you think climate change is currently affecting... - SUMMARY TABLE	Base: All not saying there isn't such a thing as climate change	3977
●	410	66	Q181_01. And how much, if at all, do you think climate change is currently affecting... - Your local area	Base: All not saying there isn't such a thing as climate change	3977
●	418	67	Q181_02. And how much, if at all, do you think climate change is currently affecting... - People in the UK as a whole	Base: All not saying there isn't such a thing as climate change	3977
●	426	68	Q181_03. And how much, if at all, do you think climate change is currently affecting... - People in other countries	Base: All not saying there isn't such a thing as climate change	3977
●	434	69	Q182. Thinking just about the UK, have you noticed any impacts of climate change over the past few years? If so, which ones?	Base: All not saying there isn't such a thing as climate change	3977

	Page	Table	Title	Base Description	Base
●	450	70	Q183. Which of these do you think are likely to occur in the UK in the next 15 to 20 years as a result of climate change? You can choose as many as you want.	Base: All not saying there isn't such a thing as climate change	3977
●	464	71	Q184. Thinking now about your everyday life, do you do any of these things?	Base: All Adults in UK	4029
	476	72	Q185. You mentioned that you currently do one of the things mentioned at Q184. What would you say is the main reason for this? - SUMMARY TABLE	Base: All who have chosen at least one of the options at Q184	1886
●	477	73	Q185_DV Actions done mainly to reduce climate change?	Base: All Adults in UK	4029
●	491	74	Q185_01. You mentioned that you currently Choose to walk, cycle or use public transport more instead of using a car. What would you say is the main reason for this?	Base: All who choose to walk, cycle or use public transport instead of using a car	1886
●	498	75	Q185_02. You mentioned that you currently Avoid\Eat less meat. What would you say is the main reason for this?	Base: All who avoid\eat less meat	1143
●	505	76	Q185_03. You mentioned that you currently Avoid\Eat less dairy produce. What would you say is the main reason for this?	Base: All who avoid\eat less dairy produce	638
●	512	77	Q185_04. You mentioned that you currently Avoid\minimise throwing away food. What would you say is the main reason for this?	Base: All who avoid\minimise throwing away food	2633
●	519	78	Q185_05. You mentioned that you currently Drive an electric or hybrid car. What would you say is the main reason for this?	Base: All who drive an electric or hybrid car	465
●	526	79	Q185_06. You mentioned that you currently Think about the energy efficiency of products and appliances when making a purchase. What would you say is the main reason for this?	Base: All who think about the energy efficiency of products when making a purchase	1821

	Page	Table	Title	Base Description	Base
●	533	80	Q185_07. You mentioned that you currently Minimise the amount of energy you use at home. What would you say is the main reason for this?	Base: All who minimise the amount of energy they use at home	2562
●	540	81	Q185_08. You mentioned that you currently Avoid\minimise air travel. What would you say is the main reason for this?	Base: All who avoid\minimise air travel	1216
●	547	82	Q186. If everybody in the UK did the following, which three of these do you think would have the biggest impact on tackling climate change in the UK?	Base: All not saying there isn't such a thing as climate change	3977
●	554	83	Q187. Who should have the most responsibility for tackling the effects of climate change in the UK?	Base: All not saying there isn't such a thing as climate change	3977
	562	84	Q188. How much do you trust each of the following to provide accurate information about climate change? - SUMMARY TABLE	Base: All Adults in UK	4029
●	563	85	Q188_01. How much do you trust each of the following to provide accurate information about climate change? - Newspapers or newspaper websites	Base: All Adults in UK	4029
●	570	86	Q188_02. How much do you trust each of the following to provide accurate information about climate change? - TV news such as BBC, ITV, Sky	Base: All Adults in UK	4029
●	577	87	Q188_03. How much do you trust each of the following to provide accurate information about climate change? - Social media such as Facebook, Twitter	Base: All Adults in UK	4029
●	584	88	Q188_04. How much do you trust each of the following to provide accurate information about climate change? - TV and radio documentaries	Base: All Adults in UK	4029
●	591	89	Q188_05. How much do you trust each of the following to provide accurate information about climate change? - UK Government	Base: All Adults in UK	4029

	Page	Table	Title	Base Description	Base
●	598	90	Q188_06. How much do you trust each of the following to provide accurate information about climate change? - Scientists working at universities	Base: All Adults in UK	4029
●	605	91	Q188_07. How much do you trust each of the following to provide accurate information about climate change? - Scientific organisations such as Royal Society, Met Office	Base: All Adults in UK	4029
●	612	92	Q188_08. How much do you trust each of the following to provide accurate information about climate change? - Charities, Environmental or Campaign groups such as Greenpeace, Friends of the Earth	Base: All Adults in UK	4029
	619	93	Q189. How much do you agree or disagree with the following statements? - SUMMARY TABLE	Base: All Adults in UK	4029
●	620	94	Q189_01. How much do you agree or disagree with the following statements? - It's not worth doing things to help reduce climate change if others don't do the same	Base: All Adults in UK	4029
●	627	95	Q189_02. How much do you agree or disagree with the following statements? - There is so much conflicting information about climate change it is difficult to know what to believe	Base: All Adults in UK	4029
●	634	96	Q189_03. How much do you agree or disagree with the following statements? - If everyone does their bit, we can reduce the effects of climate change	Base: All Adults in UK	4029
●	641	97	Q189_04. How much do you agree or disagree with the following statements? - I have the ability to make changes in my life that could help reduce climate change	Base: All Adults in UK	4029

	Page	Table	Title	Base Description	Base
●	648	98	Q189_05. How much do you agree or disagree with the following statements? - The media exaggerates the impacts of climate change	Base: All Adults in UK	4029
	655	99	Q190. Please now think about large financial and legal businesses, such as larger accountancy, law and banking firms How much do you trust these types of businesses in the UK to...- SUMMARY TABLE	Base: All Adults in UK	4029
●	656	100	Q190_01. Please now think about large financial and legal businesses, such as larger accountancy, law and banking firms. How much do you trust these types of businesses in the UK to... - Tell the truth	Base: All Adults in UK	4029
●	660	101	Q190_02. Please now think about large financial and legal businesses, such as larger accountancy, law and banking firms. How much do you trust these types of businesses in the UK to... - Be open and honest in their dealings with customers	Base: All Adults in UK	4029
