Agency

**Procurement of Education Face to Face Services in England and Wales from Summer 2021:
Invitation To Tender Information for Applicants**

Introduction

The Legal Aid Agency (“**LAA**”) has identified a need to increase capacity in the Education Category of Law and is seeking to place additional Face to Face Contracts (also referred to as the “**2018 Standard Civil Contract**” and “**Contract**”) as soon as possible and no later than 1 July 2021.

The LAA is particularly interested in receiving Tenders from organisations who are willing and able to accept direct referrals from the Civil Legal Advice (“**CLA**”) telephone helpline on Thursday and/or Friday each week. In agreeing to accept direct referrals organisations would be committing to being able to take calls directly from the CLA Operator Service and to have someone available to speak to the potential Client to, as a minimum, make an appointment for the Client to speak to a Caseworker.

Organisations interested in delivering Face to Face Education Services will need to meet the minimum generic contract requirements (set out at paragraph 2.6) and the following category-specific minimum requirements:

- Employs at least one Part Time Equivalent (“**PTE**”) Supervisor who meets either the Category-specific Supervisor Standard or the Transitional Supervisor Standard and meets the one PTE Supervisor to two Full Time Equivalent (“**FTE**”) Caseworkers ratio at each Office from which it is tendering to deliver Contract Work; and
- Each Office in the Procurement Area from which the Applicant is tendering to deliver Contract Work must be at least a Part-time Presence; and
- Has access to an Authorised Litigator with experience of carrying out cases in the Education Category of Law in which the Applicant is tendering to deliver work.

Where Applicants are successful through this process and already hold a Face to Face Contract, the LAA will award an additional Schedule Authorisation to the 2018 Standard Civil Contract currently held by an Applicant.

The Deadline for submitting Tenders is 5pm on 20 May 2021 (“Deadline”)

Submitting a tender

All Applicants submitting a Tender must submit a response to:

- i the Selection Questionnaire (“**SQ Response**”); and
- ii. the Education ITT (“**ITT Response**”).

This Information for Applicants document (“**IFA**”) provides information about the Face to Face ITTs, including how Applicants submit a Tender, and the rules governing this procurement process.

A Tender consists of a response to the SQ and an ITT Response.

All Applicants must submit a response to the SQ, regardless of whether they have previously submitted a SQ Response as part of any other procurement process.

Before submitting their Tender, Applicants must read this IFA and all supplementary information provided, such as Frequently Asked Questions (“**FAQs**”) in their entirety.

Applicants are also strongly advised to read the 2018 Standard Civil Contract documentation.

Where an Applicant is notified of the LAA’s intention to award them a contract subject to verification, it is the Applicant’s sole responsibility to ensure they provide all necessary verification information.

Where not defined in the body of this IFA, capitalised terms are either defined in the glossary at Annex E or in the 2018 Standard Civil Contract which is available alongside this IFA. Where the context requires it, words denoting the singular include the plural and words denoting the plural include the singular.

SECTION 1: OVERVIEW

About the LAA and this procurement process

- 1.1 The LAA, on behalf of the Lord Chancellor, is responsible for commissioning and administering legal aid services (publicly funded advice and representation) across England and Wales in accordance with the Legal Aid, Sentencing and Punishment of Offenders Act 2012 and associated legislation. All contract documentation is issued by the LAA on behalf of the Lord Chancellor.
- 1.2 The Deadline for submitting Tenders is **5pm on 20 May 2021**. All Tenders must be completed and submitted using the e-Tendering system. Late submissions will not be accepted. It is the Applicant's sole responsibility to ensure that the LAA receives its Tender before the Deadline.
- 1.3 Applicants should refer to the Category Definitions 2018 for detail on the scope of work included in the Education Category of Law.
- 1.4 There is no limit to the number of Face to Face Contracts that may be awarded. Applicants that meet the LAA's minimum requirements to hold a Face to Face Contract (the SQ requirements) and who can meet the relevant general and Category-specific requirements set out in this IFA will be awarded a Face to Face Contract.
- 1.5 The LAA will award Face to Face Contracts to deliver legal advice and representation in the Education Category of Law as soon as possible and no later than 1 July 2021 in the following Procurement Areas:
 - London and South East
 - Midlands and East
 - North
 - South West and Wales

Who can bid?

- 1.6 Any organisation who meets the minimum contract requirements may tender to deliver Education Face to Face Services. It is not a requirement to currently hold a 2018 Standard Civil Contract. The minimum requirements are that the Applicant:
 - Has appropriate authorisation from a Relevant Professional Body where required under the Legal Services Act 2007; and
 - Holds a relevant Quality Standard; and
 - Employs at least one PTE Supervisor who meets either the Category-specific Supervisor Standard or Transitional Supervisor Standard and meets the one PTE Supervisor to two FTE Caseworkers ratio at each Office from which it is tendering to deliver Contract Work; and
 - Tenders to deliver Contract Work from Office(s) in the relevant Procurement Area(s) which are at least a Part-time Presence; and

- Has access to an Authorised Litigator with experience of carrying out cases in the Education Category of Law.
- 1.7 In recognition that it may be difficult for some individuals to meet the qualifying requirements to be a Supervisor from the outset of the Contract, adjustments to the supervisor requirements have been made for organisations tendering to deliver face to face services.
- 1.8 Applicants who do not meet the Supervisor Standard requirements in full will need to meet the Transitional Supervisor requirements.
- 1.9 The Transitional Supervisor Standard requirements will be in place for the duration of this Contract to give Applicants the opportunity to develop their experience and work towards meeting the full supervisor requirements, which we intend to be in place in subsequent Face to Face Contracts in this Category.
- 1.10 The LAA will not accept subcontracting or consortia arrangements.

About the Face to Face Contract

- 1.11 The Face to Face Contract will start on the Contract Start Date and will run until 31 August 2022 (subject to the LAA's rights of early termination and LAA's right to extend the Contract for up to a further 1 year i.e. 31 August 2023).
- 1.12 The Contract Start Date will be as soon as possible in June 2021 and 1 July 2021 at the latest. For successful Applicants who provide compliant verification information at time of tender (and are able to complete the administrative processes set out in paragraph 8.8) contracts will start as soon as it is possible for the LAA to take the necessary steps to upload new or amend existing contract documents. All other successful Applicants on successful completion of the verification process will have a contract starting no later than 1 July 2021.
- 1.13 Each Face to Face Contract consists of and is formed by the following parts:
- Contract for Signature;
 - 2018 Standard Terms (applicable to all contracts irrespective of the specific services to be provided);
 - Specification (governs how work must be delivered and includes the key performance indicators that Providers must meet. There are two parts to the Specification – the General Specification which applies to all services under the Face to Face Contract, except Family Mediation, and the Category Specific Specifications which apply to individual Categories);
 - Schedules (set out the Categories of Law a Provider is authorised to undertake work in, the volume of work and any bespoke terms relevant to the delivery of Services at a particular Office location); and
 - Category Definitions (set out the scope of work permitted in each Category of Law).

- 1.14 Face to Face Contract documentation, are available on the LAA's website: <https://www.gov.uk/government/publications/standard-civil-contract-2018>.
- 1.15 Providers may have one or more Schedules (i.e. one Schedule for each Office) incorporated within their 2018 Standard Civil Contract. Each Schedule details the Contract Work (including Categories of Law and Matter Start allocations) authorised at a particular Office.
- 1.16 Applicants may be party to no more than one 2018 Standard Civil Contract. Therefore, if an Applicant who already holds a 2018 Standard Civil Contract successfully bids for Contract Work available through this procurement process the award of Contract Work will be made through their existing 2018 Standard Civil Contract as further provided in paragraph 1.17.
- 1.17 Where an Applicant has tendered through this procurement process from an Office for which they already have a Schedule, Contract Work awarded through this procurement process will be added to their Contract through an amendment to that existing Schedule. Where an Applicant has tendered through this procurement process from an Office for which they do not already have a Schedule, a new Schedule for that Office will be added to their 2018 Standard Civil Contract. Following successful verification of the Applicant's Individual Bid(s), the LAA will contact Applicants to confirm that these amendments are available to view on CWA.
- 1.18 Where an Applicant does not currently hold a 2018 Standard Civil Contract, following successful verification of the Applicants Individual Bid(s), a Face to Face Contract will be uploaded to CWA which Applicants will be able to view and required to accept. Contract execution will be via Adobe Sign. Further information is available at Section 8 below.
- 1.19 Face to Face Contract Work is divided into two broad areas:
- Controlled Work: generally basic levels of advice and assistance prior to issue of proceedings; and
 - Licensed Work: generally representation – issue and conduct of proceedings and advocacy.
- 1.20 Controlled Work cases are known as “**Matters**” or “**Matter Starts**”. Controlled Work permits Providers with available Matter Starts to assist Clients directly without prior authority from the LAA.
- 1.21 There is no limit to the volume of Licensed Work that a Provider may undertake. However, funding applications must be submitted to the LAA for each Licensed Work case.
- 1.22 Whilst the LAA may allocate a certain volume of Matter Starts to Providers, no guarantee is provided in relation to the volume or value of work which individual Providers will receive/be paid for under any Face to Face Contract.

Payment

- 1.23 Payments under Face to Face Contracts will be at the rates set out in Legal Aid Legislation.

About Face to Face Contract Work

- 1.24 Contract Work is delivered at individual Offices. An Applicant must detail in its ITT Response the Contract Work that it is tendering to deliver from each Office. A Tender to deliver Contract Work in the Education Category of Law from a particular Office is known as an “**Individual Bid**”. Consequently, the ITT Response of an Applicant wishing to deliver Contract Work from multiple Offices will contain an Individual Bid for each Office in the Education Category of Law.
- 1.25 There is no limit to the number of Matter Starts the LAA intends to award in any Procurement Area. Successful Applicants will be awarded the volume of work as relevant in the Education Category of Law (see paragraph 1.27 below), subject to successfully completing verification.
- 1.26 It is the Applicant’s sole responsibility to ensure they provide the LAA with all the necessary information to verify their Tender no later than 23:59 on 17 June 2021.

Matter Starts

- 1.27 There is no limit to the number of Matter Starts the LAA intends to award in any Procurement Area. A successful Applicant will be allocated 100 Matter Starts per year. This will be on a pro rata basis between the Contract Start Date and 31 August 2021 and then a full year allocation between 1 September 2021 and 31 August 2022.
- 1.28 Successful Applicants will be able to deliver up to the volume of Matter Starts awarded, subject to Face to Face Contract rules on the award of Supplementary Matter Starts (see paragraphs 1.29 – 1.31 below).

Supplementary Matter Starts

- 1.29 Applicants awarded a Face to Face Contract will, subject to notifying their LAA Contract Manager and receiving Contract Manager confirmation, be able to self-grant up to an additional 50% of their Matter Start allocation at that Office each year if required. For example, a successful Applicant who has been awarded 100 Matter Starts will be able to self-grant up to an additional 50 Matter Starts (50% of 100), resulting in a total of 150 Matter Starts for year one. Assuming the organisation has an allocation of 150 Matters at the beginning of the second year of the Face to Face Contract, they could self-grant an additional 75 Matter Starts (50% of 150) in year two.
- 1.30 During each year of the Contract Period Providers will also be able to re-allocate up to 50% of Matter Starts between Offices authorised to deliver the same Category of Law, subject to following the process at paragraph 1.29. For example, an Applicant with two successful Individual Bids (100 Matter Starts at each Office) could re-allocate up to 50

Matter Starts (50% of 100) from one Office to another. This would result in an allocation of 150 Matter Starts at one Office and 50 Matter Starts at the other.

- 1.31 Applicants should familiarise themselves with the Face to Face Contract provisions regarding the award of Supplementary Matter Starts and re-allocating Matter Starts at clauses 1.21 - 1.24 of the General Specification.

Miscellaneous Contract Work

- 1.32 Applicants awarded a Face to Face Contract to undertake Contract Work will receive an additional allocation of 5 Miscellaneous Matter Starts included on each Schedule. Where an Applicant already holds a Schedule for an Office and has been awarded an additional Schedule Authorisation to undertake Education Contract Work it will not receive an additional allocation of Miscellaneous Matter Starts as these will already have been allocated to that Office.
- 1.33 Detail on the work classified as 'Miscellaneous' for the purposes of the Face to Face Contract is included in the Category Definitions which forms part of the Face to Face Contract.

Accepting referrals from the Civil Legal Advice (CLA) telephone helpline

- 1.34 The LAA delivers legal aid services in the Education Category of Law via a mixture of specialist telephone advice and Face to Face Contracts. Specialist telephone advice in this Category is currently available through our Civil Legal Advice (CLA) telephone helpline on Monday to Wednesday between 9am and 5pm. At present any individual requiring Education advice calling the CLA telephone helpline outside these times will be directed to Face to Face advice.
- 1.35 Through this procurement process the LAA is seeking to identify organisations that would be interested in receiving special educational needs referrals from the CLA telephone helpline on Thursday and/or Friday each week. However, it is not a requirement of this procurement process that organisations agree to this. Applicants must confirm in their Education ITT Response whether they are willing and able to accept direct referrals and, if so, on which days.
- 1.36 Applicants who confirm they are willing and able to accept direct referrals and are successful in the procurement process will be required to be available to accept calls directly transferred to them from the CLA Operator Service on the days they specified in their Tender. Successful Applicants will not be required to provide immediate legal advice to a potential Client when they receive a referral from the CLA Operator Service. They would, however, as a minimum be expected to arrange an appointment with the potential Client to discuss the individual's legal issue at a time that is suitable for them.
- 1.37 Prior to each referral, the CLA Operator Service will have carried out an initial assessment of whether the case is within the scope of legal aid and the individual is likely to be financially eligible before redirecting the call to a Provider. However, it will be the successful Applicants responsibility to determine eligibility prior to opening a case.

- 1.38 All cases opened by a successful Applicant following a referral will be done so under the Face to Face Education Contract and will be governed by the terms of this Contract. For the avoidance of doubt there will be no ability to claim for 'Determinations' under the Education Face to Face Contract.
- 1.39 No additional volume of Matter Starts will be allocated for cases opened as a result of a referral from the CLA telephone helpline. Applicants should however note the rules on Supplementary Matter Starts set out in paragraphs 1.29 – 1.31.

Volume and distribution of referrals

- 1.40 The volume of Education calls handled by the CLA Operator Service fluctuates according to demand. We estimate that the CLA Operator Service will refer anything up to 15 potential clients per week on average over the course of a year. We will discuss with successful Applicants their capacity to take on referrals once the procurement process has concluded and we understand the interest in undertaking this work. The CLA Operator Service will then distribute referrals to Providers on the day(s) they agree to receive referrals. The LAA will continue to engage with providers who have agreed to accept referrals throughout the course of the contract, including to manage anticipated capacity.
- 1.41 Where an Applicant agrees to accept referrals from the CLA Operator Service the Special Provisions section of the Contract Schedule will be amended to include the requirement to accept calls on the days and at the volume agreed to.

Remote Advice

- 1.42 As the CLA telephone helpline operates on a national basis successful Applicants are likely to receive referrals from across England and Wales. In practice, therefore, it is likely that successful Applicants will need to provide advice to these Clients using the provisions on Remote Advice set out in paragraphs 16.18 to 16.25 of the Education Category Specific Rules which is available on the LAA's website:
<https://www.gov.uk/government/publications/standard-civil-contract-2018>.
- 1.43 Paragraph 16.20 of the Education Category Specific Rules confirms that the strict 25% limit on the proportion of cases that can be accepted without an attendance by the Client does not apply to these Contracts, although we reserve the right to monitor the use of Remote Advice.
- 1.44 Paragraph 3.18 of the General Specification confirms that Providers may give advice to a Client over the telephone, by email or via other means of remote communication before the Client has signed the Legal Help application form where:
- a.) the Client requests this and it is not necessary for the interests of the Client or his or her case to attend you in person; and,
 - b.) the Client meets the criteria in the Merits Regulations and Financial Regulations for the provision of Legal Help.

- 1.45 This work may be claimed for provided that the Client subsequently signs the Legal Help Form and provides appropriate evidence in relation to their financial means and identity.

SECTION 2: PROCUREMENT PROCESS REQUIREMENTS

- 2.1 Applicants wishing to deliver Education Contract Work must submit a Tender which consists of a response to the SQ and a response to the Education ITT.
- 2.2 The SQ and ITT Responses submitted must each be capable of assessment.
- 2.3 Applicants may not submit more than one response to the SQ and Education ITT. Where an Applicant submits more than one SQ Response and/or more than one ITT Response, only the last submitted prior to the Deadline shall be assessed by the LAA.
- 2.4 If a SQ Response, ITT Response or Individual Bid is not submitted or is incapable of assessment it will be rejected.
- 2.5 An Applicant must ensure that its entire Tender is capable of concurrent delivery. Where it submits multiple Individual Bids it is warranting that it will be able to deliver concurrent services under all of those Individual Bids if successful.

Generic requirements

- 2.6 All Applicants tendering to deliver Education Contract Work must be able to provide evidence by 23:59 on 17 June 2021 as to how they meet the following requirements:

Requirement	Who must evidence this requirement
The Applicant holds a relevant Quality Standard	All Applicants
The Applicant has appropriate authorisation from a Relevant Professional Body where required under the Legal Services Act 2007	All Applicants

Quality Standard requirement

- 2.7 Contract holders will be required to hold a Quality Standard throughout the Contract Period.
- 2.8 Applicants must be able to evidence by 23:59 on 17 June 2021 that they hold either the LAA's Specialist Quality Mark ("**SQM**") following audit by the LAA's SQM Audit Provider or the Law Society's Lexcel Practice Management standard ("**Lexcel**").
- 2.9 Applicants are solely responsible for paying all necessary fees to the Quality Standard auditing organisation.

- 2.10 Where an Applicant already holds the SQM following audit by the LAA's SQM Audit Provider or is in the process of being audited by them, it need not reapply for the SQM, unless it must do so to continue to hold the SQM.
- 2.11 Requirements according to the Quality Standard an Applicant chooses to hold are detailed below:

<i>Applicant Type</i>	<i>Requirement</i>
Applicants who intend to hold the SQM	<ul style="list-style-type: none"> - Pass desktop audit before the Contract Start Date (Please note that the deadline for providing compliant verification information is 23:59 on 17 June 2021 and Applicants must be able to demonstrate that they have passed the desktop audit) - Fully pass the Pre-QM audit within six months of the Contract Start Date
Applicants who intend to hold Lexcel	<ul style="list-style-type: none"> - Achieve Lexcel accreditation before the Contract Start Date
Applicants who already hold Lexcel	<ul style="list-style-type: none"> - Must hold a valid accreditation that will be in force until at least the Contract Start Date
Applicants who already hold an SQM audited by the LAA's SQM Audit Provider	<ul style="list-style-type: none"> - Must hold a valid accreditation that will be in force until at least the Contract Start Date

- 2.12 It is an Applicant's responsibility to ensure it meets the LAA's requirements by the Contract Start Date (see paragraph 8.4 – 8.5). Applicants are therefore advised to apply for their chosen Quality Standard as early as possible.
- 2.13 It is the sole responsibility of the Applicant to contact the Quality Standard auditing organisation and arrange any necessary audits. The LAA assumes no responsibility for monitoring Applicants' progress towards achieving a Quality Standard.
- 2.14 Further information about the SQM and how to register with the LAA's current SQM Audit Provider can be found at <http://www.recognisingexcellence.co.uk/sqm/>.
- 2.15 Further information on Lexcel can be found on The Law Society's website: <http://www.lawsociety.org.uk/productsandservices/lexcel.page>.

Appropriate authorisation from a Relevant Professional Body

- 2.16 The required services include "reserved legal activities" which can only be carried out by authorised persons, exempt persons, or certain non-commercial organisations which are subject to transitional provisions, as defined within the Legal Services Act 2007. Applicants for a Face to Face Contract must, therefore, ensure that they have all

necessary licences and authorisations from a Relevant Professional Body to conduct Contract Work by 23:59 on 17 June 2021.

Category-specific requirements

2.17 In addition to meeting the requirements of the SQ and the above generic requirements, Applicants will need to meet the requirements specific to the Education Category of Law. Applicants must warrant at the time of submitting their ITT Response that they will meet these requirements. Applicants must be able to evidence how they meet these requirements by 23:59 on 17 June 2021.

Supervisor requirements

2.18 The LAA recognises that individuals may have difficulties meeting the Supervisor Standard in full at the outset of the Contract. The LAA has created a Transitional Supervisor Standard in the Education Category, with the aim of enabling individuals to develop their experience and work towards meeting the supervisor requirements in full.

2.19 For the duration of the Contract there will be two routes through which individuals can qualify as a Supervisor, by meeting either the:

i) Supervisor Standard; or

ii) Transitional Supervisor Standard.

2.20 Such individuals who do not meet the Supervisor Standard may qualify to be a Supervisor if they meet the Transitional Supervisor Standard which will be in place for the duration of this Contract. In order to meet the Transitional Supervisor Standards individuals must be able to meet the requirements set out in the Education Category Specific Rules.

2.21 Supervisor Standards are set out at sections 2.10 – 2.25 of the General Specification and the Legal Competence Standards set out in detail in the relevant Category Specification. Minimum Supervisor ratios are detailed at 2.26 – 2.28 of the General Specification. The Transitional Supervisor Standards are set out in the Education Category Specific Rules.

2.22 An individual Supervisor may not supervise more than two Offices in total.

2.23 Each Applicant must employ at least one Part Time Equivalent (“**PTE**”) Supervisor who meets either the Supervisor Standard or Transitional Supervisor Standard in the Education Category. Each PTE Supervisor may supervise no more than 2 FTE Caseworkers.

2.24 For the purposes of obtaining a Contract, use of external (i.e. non-employed) Supervisors is not permitted.

2.25 To evidence that an Applicant employs an individual who: (1) meets either the Supervisor Standard or the Transitional Supervisor Standard; and (2) works at the Office from which it has submitted an Individual Bid, at least one compliant Supervisor

Declaration Form/Transitional Supervisor Declaration Form in the relevant Category must be provided by 23:59 on 17 June 2021. The Supervisor Declaration Form and Transitional Supervisor Declaration Form is available at <https://www.gov.uk/government/publications/standard-civil-contract-2018>

- 2.26 For the avoidance of doubt, Applicants who meet the supervisor requirements in full will need to provide a compliant Supervisor Declaration Form in relation to each Supervisor.
- 2.27 Applicants who seek to meet the supervision requirements by reference to the Transitional Supervisor Standards must provide a compliant Transitional Supervisor Declaration Form in relation to each Supervisor.
- 2.28 Where an Applicant is relying on two individuals to meet the Transitional Supervisor Standards in the circumstances permitted in the Category Specific Rules the Applicant must complete a single Transitional Supervisor Declaration Form, providing the information in relation to each such individual as required in that form.

Offices

- 2.29 Each Office must be at least a Part-time Presence within the relevant Procurement Area.
- 2.30 As part of the ITT Response Applicants must confirm the Procurement Area for each Office from which they intend to deliver services in the relevant Category of Law from the following:
- London & South East
 - North
 - South West & Wales
 - Midlands & East
- 2.31 Applicants bidding to deliver Education Contract Work in the South West and Wales Procurement Area must have measures in place to ensure that all relevant staff are aware of the differences in Special Educational Needs law between England and Wales, and keep up to date with legislative and procedural changes in both jurisdictions.
- 2.32 Applicants should check that they tender in the correct Procurement Area for their Office(s). To do this, an Applicant must enter the postcode for their Office (or intended Office) into the 'Find your local council' tool on the Gov.uk website: <https://www.gov.uk/find-local-council>. Annex B lists the Procurement Areas for the Education Category and the local authorities included in each.
- 2.33 Where an Applicant wishes to tender to deliver Contract Work from more than the 3 Offices permitted within the Education ITT, they must contact the LAA in accordance with paragraph 4.18 no later than 5pm on 4 May 2021.
- 2.34 Applicants are not required to have operational Offices at the point of submitting a Tender. Applicants are required to confirm they will meet the relevant Office requirements as part of their Tender. As part of an ITT Response Applicants should provide the address(es) of where they intend to deliver Contract Work where known at

the time of tender, together with the relevant LAA Account Number where the Applicant is a current LAA contract holder. An Applicant's Office location must be in the Procurement Area for which it tenders. The LAA will validate address details provided.

- 2.35 All Applicants must be able to by evidence by 23:59 on 17 June 2021 that they meet the verification requirements, including those relating to Offices.
- 2.36 Where an Applicant's Individual Bid includes an Office which is not in the Procurement Area stated in their Individual Bid, the LAA will not reject the Individual Bid outright. Rather, the LAA will inform the Applicant at the point of notification that their Office is not in the Procurement Area tendered for. Where an Applicant is unable to evidence at the point of verification that they have an Office which is in the Procurement Area tendered for as part of the Individual Bid, the LAA will reject the relevant Individual Bid.
- 2.37 Applicants responding to the Education ITT must commit to meeting the requirements by the Contract Start Date as applicable:

Requirements which all Applicants responding to the Education ITT must meet by the Contract Start Date
Supervisor
The Applicant must employ at least one PTE Supervisor who meets either the Category-specific Supervisor Standard or Transitional Supervisor Standard and who will actively supervise the Contract Work tendered for and meet the one PTE Supervisor: two FTE Caseworkers ratio at each Office from which it is tendering to deliver Contract Work.
Office Presence
Each Office in the Procurement Area in which the Applicant is tendering to deliver Education Contract Work must be at least a Part-time Presence.
Authorised Litigator
The Applicant must have access to an Authorised Litigator with experience of delivering Education cases.

SECTION 3: e-TENDERING SYSTEM

- 3.1 All Tenders must be completed and submitted using the e-Tendering system. This can be accessed either through a link on the tender pages of the LAA website or directly at www.legalaid.bravosolution.co.uk
- 3.2 Applicants already registered on the e-Tendering system whose registration details remain up to date do not need to register again. Applicants are encouraged to ensure that they review the contact details held in the e-Tendering system to ensure these are up to date.
- 3.3 Where an Applicant already has multiple registrations on the e-Tendering system it should ensure that it uses the registration which matches the name and trading status of the organisation on whose behalf the Tender is submitted.

- 3.4 Applicants who have forgotten their password, must click on the 'Forgotten your password?' link on the e-Tendering system homepage to get their password reset.
- 3.5 Applicants must familiarise themselves with the e-Tendering system guides available through the 'Technical Support and Guidance' link on the e-Tendering system home page. These provide detailed guidance on how to complete a Tender.
- 3.6 The LAA will communicate with Applicants about this procurement process through the e-Tendering system message board. Applicants must check the message board regularly to ensure that any messages are read promptly. The LAA highly recommends that Applicants set up multiple additional users under their e-Tendering system registration (see 'Technical Support and Guidance' link) as back-up to ensure that urgent messages, which may affect an Applicant's Tender, can be actioned as necessary.
- 3.7 The SQ and Education ITT are available via the 'Project' or 'ITT Open to all Suppliers' link on the front page of the e-Tendering system.
- 3.8 Applicants must click 'Edit response' to be able to complete their responses to the questions asked. Applicants must click the 'Save Changes' or 'Save and Exit Response' buttons to ensure information inputted is saved.
- 3.9 Once Applicants have completed their response to an ITT, they must submit it by clicking on the "Submit Response" button.
- 3.10 Applicants may amend and re-submit their response at any time up to the Deadline. If so amended and re-submitted, only the last response shall be assessed.
- 3.11 An Applicant may check that it has successfully submitted its ITT Response by going to the 'My ITTs' screen, which should show the 'Response status' as 'Response submitted to Buyer'. The registered email address will also receive confirmation when the Applicant submits its ITT Response for the first time. It is therefore important for an Applicant to ensure that any and all contact details held in the e-Tendering system are up to date.
- 3.12 ITT Responses are sealed. This means that the LAA is unable to access submitted ITT Responses prior to the Deadline. The LAA cannot confirm receipt of an ITT Response or Tender, nor can it confirm if an ITT Response or Tender has been completed correctly.
- 3.13 All questions marked with a red asterisk on the e-Tendering system are mandatory. The e-Tendering system will not permit an Applicant to submit its ITT Response(s) unless answers to those questions are provided.
- 3.14 There is a button in the e-Tendering system called 'check mandatory questions'. By clicking on this the e-Tendering system will check that an Applicant has provided a response to all mandatory questions and will flag where a response to a mandatory question has not been given. For the avoidance of doubt, it does not provide an

assessment of the responses to those questions or confirmation that they have been answered correctly.

- 3.15 When an Applicant submits its ITT Response for the first time, it will receive an automated message confirming that its response has been successfully submitted. This only provides an indication of whether the ITT Response has been transmitted to the LAA and not whether the ITT Response or Tender is fully completed and/or will be assessed as being successful.

SECTION 4: COMPLETION OF THE SELECTION QUESTIONNAIRE AND EDUCATION ITT

Completion of the Selection Questionnaire

- 4.1 A Response to the SQ must be submitted by all Applicants regardless of whether they have previously submitted a SQ Response as part of any other procurement process. If no SQ Response has been submitted, this will be considered an incomplete Tender and the LAA will reject the Applicant's Tender in its entirety.
- 4.2 The SQ can be found in Project 124 at ITT 688 – 'Selection Questionnaire for Face to Face Education Services from Summer 2021' in the e-Tendering system.
- 4.3 The SQ contains a series of questions covering the following areas:
- Section A (non-assessed) - Organisation and contact details
 - Section B - Grounds for mandatory exclusion
 - Section C - Grounds for discretionary exclusion
 - Section D – Declarations
- 4.4 A full breakdown of each of the questions and what would constitute a pass or a fail is set out in Annex A.

Section A - Organisation and contact details

- 4.5 This information is non-assessed but may be used in the verification of the Applicant's Tender. Applicants who have yet to form legal entities may provide "N/A" responses to some questions within this section. Where successful, and as part of verification, they will be required to confirm, for example, their head office address or other details not provided as part of the Tender.

Sections B and C – Grounds for mandatory and discretionary rejection

- 4.6 For each question the Applicant is presented with a series of drop down options from which to select a response.
- 4.7 Where a requirement is not met outright the Applicant will be provided with a series of 'free text' boxes in which to give further details (known as 'exceptional circumstances'). These will be used by the LAA to consider whether those exceptional circumstances are deemed to be satisfactory for the Applicant to meet the SQ requirement.

- 4.8 Where the opportunity to provide exceptional circumstances is given, specific details in response to the supplemental questions are requested within the SQ. This must not be used as an opportunity to provide other supplementary information to an Applicant's SQ response and any information provided that is not relevant to the particular SQ requirement and explanation of exceptional circumstances will not be considered.
- 4.9 Subject to paragraph 4.10 below, the LAA will assess SQ responses on the basis of information submitted by the Applicant in its SQ Response. SQ Responses for Sections B and C will be assessed on a pass or fail basis.
- 4.10 Where an Applicant's SQ Response states it does not meet the SQ requirements outright in questions C.8 (LAA contract terminations), C.9 (Peer Review) and C.10 (individuals prohibited from undertaking publicly funded work) the LAA will review its own records in assessing whether the requirements have been met. For all other questions in Section B and C, the LAA's assessment will be solely reliant on information provided by the Applicant. That information must be complete and accurately expressed. Applicants' attention is drawn to the LAA's right to disqualify an Applicant for submitting false and/or misleading information as provided at paragraphs 9.30-9.32 of this IFA.

Section D – Declaration

- 4.11 A declaration in the form set out at Section D of the SQ (see Annex A below) must be provided by:
- (a) the Compliance Officer for Legal Practice (COLP) or the individual intending to be the COLP where Applicant is or intends to be authorised by the Solicitors Regulation Authority (SRA); or
 - (b) the Head of Legal Practice (HOLP) or the individual intending to be the HOLP where Applicant is or intends to be authorised by the Bar Standards Board (BSB); or
 - (c) the Compliance Manager (CM) or the individual intending to be the CM where Applicant is or intends to be authorised by CILEx Regulation (CILEx); or
 - (d) where the Applicant is not (and will not be) authorised by the SRA, the BSB or CILEx, a member of Key Personnel who either (i) has decision and / or veto rights over decisions relating to the running of the Applicant; or (ii) has the right to exercise, or actually exercises, significant influence or control over the Applicant.

Completion of the Education ITT

- 4.12 Applicants wishing to bid to deliver Education Contract Work must submit an Education ITT Response. If no Education ITT Response has been submitted, this will be considered an incomplete Tender and the LAA will reject the Applicant's Tender in its entirety.
- 4.13 The Education ITT can be found at Project 124 at ITT 689 – Education Face to Face Services in England and Wales from Summer 2021' in the e-Tendering system.
- 4.14 The Education ITT contains a series of questions covering the following areas:
- CLA telephone helpline referrals (Section A)

- Individual Bid details (Section B)
 - Verification (Section C)
 - Warranties and Declarations (Section D)
- 4.15 A full breakdown of each of the questions for the Education ITT is included in the ITT and is replicated at Annex C.
- 4.16 Applicants must respond to each question in the Education ITT by selecting the correct drop-down option or by providing a typed answer in the free text box provided. Each free text box is limited to 2000 characters (including spaces).
- 4.17 Where a question requires a response from a drop-down menu, Applicants may either select an option from the drop-down list or, if they know the answer option they wish to select, use the quick search functionality by typing in the 'response' box in the e-Tendering system.
- 4.18 Where an Applicant wishes to tender from more Offices as part of an ITT Response than is catered for in the Education ITT, the Applicant must send a message to the LAA via the e-Tendering messaging portal no later than 5pm 4 May 2021 requesting a form on which they can provide details about additional offices. The LAA will then supply a form which the Applicant must complete and save it to their own computer before attaching it to a message in the e-Tendering system and sending this to the LAA before the Deadline.
- 4.19 Applicants who want to submit compliant verification information with their Education ITT Response can do so at Section C. An Applicant who confirms in Section C that they wish to provide compliant verification information must provide all the information required to verify its ITT Response. Applicants who would like their Contract to start before 1 July 2021 must submit compliant verification information, including Office address(es), with their Education ITT response.
- 4.20 Where an Applicant wishes to submit more than one Supervisor Declaration Form for its ITT Response the completed Supervisor Declaration Forms must be merged into a single document and the single document uploaded into the e-tendering system.
- 4.21 Before submitting an ITT Response an Applicant must check that it has answered all questions correctly. If an ITT Response is incomplete it may be assessed as unsuccessful.
- 4.22 Tenders, including ITT Responses, will not be opened by the LAA until after the Deadline and therefore if an Applicant's Tender is incomplete, this will only be identified on assessment, at which point it shall be too late for Applicant to submit any further information.

SECTION 5: APPLICANTS' QUESTIONS

- 5.1 If an Applicant has a question about the procurement process to which they cannot find an answer either in this document or in the guidance provided in the e-Tendering system,

they may direct it through one of two different channels depending on the nature of the query.

Questions about this IFA

- 5.2 If an Applicant has any questions about the content of this IFA, it may submit them up until **23:59 on 4 May 2021**. This is referred to in the e-Tendering system as the 'End date for supplier clarification messages'. Questions received after this date may not be answered.
- 5.3 All such questions must be submitted using the e-Tendering system message boards.
- 5.4 Because of the way the LAA downloads messages from the e-Tendering system, it may appear that Applicants' messages have not been read. Applicants should not assume that this is the case and re-send messages to the LAA. All messages will be responded to. However, during peak periods of activity it may take the LAA longer to respond due to the increased volumes of messages received.
- 5.5 Applicants should assume that questions and answers may be published. Questions that the LAA considers to be of wider interest may be collated and answered centrally in writing to ensure that all potential Applicants have equal access to information. Questions and answers will be published on the LAA's tender pages <https://www.gov.uk/government/publications/civil-tender-activity-2021> in the 'Procurement Process for Education Contracts from Summer 2021 Frequently Asked Questions (FAQ)'.
- 5.6 Applicants should note that this is the only opportunity to ask questions about the procurement process. The LAA will not be able to provide responses to questions about the process through any other method.

Technical questions about how to operate the e-Tendering system

- 5.7 There is an e-Tendering helpdesk to provide technical support in relation to the use of the e-Tendering system. The helpdesk is **unable** to assist with problems with Applicants' own computer hardware or systems. For these types of issues Applicants should contact their own IT support.
- 5.8 Questions for the e-Tendering helpdesk should be emailed to: help@bravosolution.co.uk Alternatively, the telephone number for the helpdesk is 0800 069 8630 and lines are open from 8am to 6pm Monday to Friday.
- 5.9 The LAA recommends that Applicants start to complete their Tenders early so that they identify any areas in which they need help as soon as possible as the helpdesk is likely to be very busy in the days leading up to the Deadline. The LAA cannot guarantee that queries received close to the Deadline will be dealt with in time and accepts no responsibility if they are not.

5.10 Applicants should note that the e-Tendering helpdesk is the only method by which they can receive assistance on using the e-Tendering system.

SECTION 6: TENDER ASSESSMENT

SQ Assessment

- 6.1 The LAA will check that the Applicant has submitted an SQ Response. In the event that no SQ Response has been submitted this will be considered an incomplete Tender and the LAA will reject the Applicant's Tender in its entirety.
- 6.2 The LAA will conduct an assessment of an Applicant's SQ Response in accordance with the assessment approach detailed in Annex A.
- 6.3 The sole right of appeal is set out at paragraph 9.40 of this IFA. That right of appeal applies solely where the LAA assesses the Applicant's SQ Response as unsuccessful. Where an Applicant successfully appeals the LAA's decision to reject its SQ Response, the LAA cannot guarantee that any subsequent Contract awarded will commence on 1 July 2021.
- 6.4 Applicants that are assessed as having passed the SQ will proceed to the assessment of the Education ITT, as set out below.

SQ appeals

- 6.5 Where an Applicant is notified that its SQ Response is unsuccessful but the Applicant subsequently successfully appeals against the outcome the Applicant's Tender will proceed to the assessment for the Education ITT, as set out below.

ITT assessment

- 6.6 ITT Responses will be assessed in the following stages:
- Stage 1 – ITT requirements check
 - Stage 2 – Verification (where applicable)
 - Stage 3 – Contract award (subject to verification)
 - Stage 4 – Verification

Stage 1 – ITT requirements check

- 6.7 The LAA will conduct assessment of:
- Any address and postcode details provided as part of an Individual Bid; and
 - The declarations and warranties provided as part of an ITT Response.
- 6.8 Where an Applicant is assessed as having provided the address of an Office which is not in the Procurement Area stated in the corresponding Individual Bid, the LAA will act in accordance with paragraph 2.36.
- 6.9 Where no address details are provided as part of an Individual Bid, an address check will be conducted as part of verification (stage 2 or stage 4 as appropriate). Applicants

must be able to evidence an Office or in the relevant Procurement Area by 23:59 on 17 June 2021.

Declarations and warranties assessment

- 6.10 The LAA will review the warranties and declarations given in an Applicant's Face to Face ITT Response (Section D of the ITT) to ensure the Applicant has provided the necessary declarations and warranties.
- 6.11 The LAA will assess the declarations and warranties on the basis of information submitted. Responses will be assessed on a pass or fail basis.
- 6.12 Where the Applicant fails to provide the necessary declarations and warranties, the whole ITT Response may fail.
- 6.13 Applicants who are assessed as having provided the necessary declarations and warranties will be eligible for the award of a Face to Face Contract, and their Tender will be assessed as successful subject to verification (stage 2 or 4 as appropriate).

Stage 2 – Verification (if applicable)

- 6.14 If an Applicant has submitted verification information with their ITT Response the LAA will verify an Applicants ITT Response at this stage in accordance with the process set out in Section 8 of this IFA.

Stage 3 – Contract award (subject to verification)

- 6.15 All Applicants will be notified of the outcome of their Tender through the e-Tendering message board. Notifications to Applicants whose Tender is unsuccessful will include details of why their Tender is unsuccessful.
- 6.16 The LAA intends to notify Applicants of the outcome of their Tender in the week commencing 31 May 2021.
- 6.17 More detail of the notification process is set out in Section 7 of this IFA.

Stage 4 – Verification

- 6.18 Applicants who have not already concluded the verification process at Stage 2 of the tender assessment process and are notified that they have been successful in this procurement process will be required to verify their Tender following the verification process detailed at Section 8 of this IFA.

SECTION 7: NOTIFICATION OF TENDER OUTCOMES

- 7.1 The LAA will notify Applicants of the outcome of their Tender in accordance with the timetable set out earlier in this IFA at page 2.

- 7.2 Applicants will be notified of the outcome of their Tender through the e-Tendering system message board. Notifications to unsuccessful Applicants will include reasons why their Tender, SQ Response, ITT Response or Individual Bid has been assessed as unsuccessful.
- 7.3 Where an Applicant's SQ Response is assessed as unsuccessful the Applicant's ITT response will not be assessed, unless any appeal made by the Applicant is successful.
- 7.4 The sole right of appeal is set out at paragraph 9.40 of this IFA. The sole right of appeal applies to the outcome of the LAA's assessment of an Applicant's SQ Response as unsuccessful.
- 7.5 There is no right of appeal against the LAA's assessment of ITT Responses.
- 7.6 Where the LAA assesses an Applicant's SQ Response as being successful, Applicants will be notified of the LAA's intention to award a Contract. Unless all necessary, compliant verification information is submitted as part of an Applicant's ITT Response, the award will be subject to completing verification, as set out in Section 8.

SECTION 8: VERIFICATION

- 8.1 All successful Applicants will be required to verify their Individual Bid(s) and all Contract awards will be conditional on Individual Bid(s) being satisfactorily verified by the LAA. Details of the verification requirements are set out at Annex D of this IFA. Verification information must be provided at the latest by 23:59 on 17 June 2021.
- 8.2 Applicants will have the opportunity to submit verification information with their ITT Response. Applicants who submit compliant verification information with their ITT Response and are successful will have their Contract documents uploaded or amended to enable them to deliver Contract Work awarded under this procurement process as soon as possible.
- 8.3 Where an Applicant does not submit compliant verification information with their ITT Response, requests for verification information will be sent to Applicants at the same time as they are notified that they have been successful. They must submit compliant verification information no later than 23:59 on 17 June 2021. If verification is successfully concluded an Applicant's Contract documents will be uploaded to enable them to deliver Contract Work awarded under this procurement process no later than 1 July 2021.
- 8.4 It is the Applicant's sole responsibility to ensure they provide us with all the necessary information to evidence they meet the relevant verification requirements no later than 23:59 on 17 June 2021.
- 8.5 Where the Applicant has not submitted information in accordance with the verification process for either an Individual Bid or its entire Face to Face Contract award by 23:59 on 17 June 2021, then the award in respect of an Individual Bid or the entire Face to Face Contract may be withdrawn as applicable.

- 8.6 For the avoidance of doubt, if it becomes necessary for the LAA to withdraw the award to an Individual Bid or an entire Face to Face Contract as a consequence of their failure to satisfactorily verify any aspect of their Tender, the LAA shall have no responsibility whatsoever to the Applicant (or any related party) for any cost, expense or any other liability they have incurred or may incur in the course of submitting their Tender.
- 8.7 Please note, the LAA will not enter into contract or issue or amend any Contract Schedule with Applicants until pre-contract verification process is concluded i.e. the Applicant satisfactorily verifies information required at the latest by 23:59 on 17 June 2021.
- 8.8 In addition to meeting the verification requirements, Applicants must complete the two following administrative processes, where relevant, before the LAA can issue Contract documentation to an Applicant:
- a. provide a completed indemnity where the Applicant is an organisation with a limited liability (which is not a registered charity); and
 - b. provide a completed AC1 form and associated documentation for each new Office
- 8.9 The LAA will be unable to enter into contract with an Applicant that fails to provide this information where necessary. Where an Applicant fails to provide a properly completed indemnity at the latest by 23:59 on 17 June 2021, the LAA will withdraw its offer of a Contract. Where an Applicant fails to provide a completed AC1 form and associated documentation at the latest by 23:59 on 17 June 2021 the LAA may withdraw its offer of Contract Work to the relevant Office(s).

Indemnity

- 8.10 Applicants with limited liability (unless a registered charity) must supply the LAA with a properly completed indemnity.
- 8.11 The indemnity must be signed by the ultimate owners of the Applicant and/or such persons as the LAA might reasonably regard as being controllers and/or senior managers of the Applicant and/or where the Applicant is a limited company, from any company which is its holding company.
- 8.12 A copy of the indemnity form is available at:
<https://www.gov.uk/government/publications/personal-guarantee-and-indemnity>

AC1 form

- 8.13 Where Applicants intend to open an Office to deliver the Contract Work tendered for, in addition to confirming the Office address and postcode, they will be required to complete and return an AC1 form and supporting documents so the new Office can be allocated a LAA Account Number and set up on the LAA systems. Applicants cannot be issued with Contract documentation or start, or be paid for, Contract Work until a completed AC1 form has been received and processed by the LAA. The AC1 form is available at:
www.gov.uk/guidance/update-your-details-with-laa.

Issuing of Face to Face Contract documentation

- 8.14 When an Applicant satisfactorily verifies their Individual Bid(s) through the verification process, they will be notified that their Face to Face Contract documentation is available to view and, where necessary, execute online.
- 8.15 Face to Face Contract documentation will be issued and executed electronically via Adobe Sign. Once executed Applicants will be able to view their Contract documents, including the Schedule in the LAA's 'Contracted Work and Administration (CWA)' system
- 8.16 To view their Face to Face Contract an Applicant must have been set up on the LAA systems and issued with an LAA Account Number for each new Office.
- 8.17 Contracts that have not been executed two weeks after the Contract Start Date, may be withdrawn at the LAA's sole discretion. The LAA will have no liability to an Applicant whatsoever as a consequence of any such withdrawal.
- 8.18 Successful Applicants that have previously executed a 2018 Standard Civil Contract through a previous procurement process will have their Office Schedule amended or a new Office Schedule added to their 2018 Contract as appropriate, as set out at paragraph 1.17.

SECTION 9: GENERAL RULES OF THIS PROCUREMENT PROCESS

Introduction

- 9.1 This procurement process is governed by this IFA which represents a complete statement of the rules of the procurement process. This IFA supersedes all prior negotiations, representations or undertakings, whether written or oral. References to 'Tender' include, as applicable, any submission forming part of a Tender such as the Response to the ITT.
- 9.2 'Legal services' are classified as Social and Other Specific Services to which The Public Contracts Regulations 2015 (the "Regulations") only apply in part. The LAA is not bound by any of the Regulations except those which specifically apply to the procurement of Social and Other Specific Services.
- 9.3 This IFA and any supplementary documents issued as part of this procurement process are governed and construed in accordance with English Law.

Submitting a Tender

- 9.4 The Applicant agrees to comply with the rules (contained in this Section 9 and elsewhere in this IFA) of this procurement process, the terms of the user agreement governing the use of the LAA e-Tendering system and any contract awarded to them by the LAA (including any conditions of contract award). If the Applicant fails to comply

with the rules of this procurement process and/or the terms of the user agreement, the LAA will assess the Applicant's Tender as unsuccessful.

9.5 The Applicant must submit a complete Tender (in accordance with paragraph 9.8) by the Deadline. For the purposes of the Deadline, the time specified on the e-Tendering system shall be the definitive time. A Tender will be rejected if it is submitted by the Applicant after the Deadline. The LAA will not consider:

- (a) any requests by the Applicant to amend or submit the Tender after the Deadline; or,
- (b) any requests by the Applicant for an extension of the time or date fixed for the submission of the Tender

and the Applicant accepts all responsibility for ensuring all parts of its Tender are submitted through the e-Tendering system by the Deadline.

9.6 The Applicant must submit a complete Tender (in accordance with paragraph 9.8) using the e-Tendering system at www.legalaid.bravosolution.co.uk. The LAA will not consider any Tender submitted by the Applicant in any other form, or by any other method.

9.7 A Tender comprising of a Response to the SQ and the Education ITT must be authorised by one of the following:

- (a) the Applicant's COLP, HOLP or CM; or,
- (b) where the Applicant is not authorised by a Relevant Professional Body, a member of Key Personnel who either:
 - (i) has decision and / or veto rights over decisions relating to the running of the Applicant; or
 - (ii) has the right to exercise, or actually exercises, significant influence or control over the Applicant

9.8 The Applicant must submit a complete Tender (i.e. a SQ Response and an ITT Response) prior to the Deadline. The Applicant must reply to every question in the Tender and upload all requested documentation, even if it has previously provided this information or if it is otherwise of the view that the LAA is already aware of such information. Where an Applicant does not submit a complete Tender, their Tender will be rejected its entirety and there will be no right of appeal.

9.9 The Applicant may only submit one Tender (i.e. maximum of one response to the SQ and/or Education ITT). Where an Applicant submits more than one SQ Response and/or Education ITT Response, the LAA will assess only the last SQ and/or Education ITT Response submitted prior to the Deadline.

9.10 The Applicant may amend and re-submit its Tender at any time up to the Deadline. Only the last Tender submitted by an Applicant prior to the Deadline will be considered by the LAA.

- 9.11 The Applicant must ensure that its Tender is fully and accurately completed. The Applicant must ensure that information provided as part of its response is of sufficient quality and detail that an informed assessment of it can be made by the LAA.
- 9.12 Subject to the LAA's right to clarify at paragraph 9.27, the Applicant will not be permitted to amend or alter the Tender after the Deadline except in circumstances expressly permitted by the LAA.
- 9.13 In the event of any conflict between the information, answers or responses submitted as part of a Tender, without prejudice to the other rules of the procurement process, including the LAA's right to clarify, the conflict will be resolved by accepting the information, answer or document least favourable to the Applicant. This may mean that the LAA may reject the Tender in whole or in part.
- 9.14 When providing Contract Work within Wales, the Applicant must ensure it is accessible to, and understandable by, Clients whose language of choice is Welsh, in accordance with the Welsh Language Act 1993 and Welsh Language (Wales) Measure 2011 and any other relevant statutory instruments which come into force from time to time.
- 9.15 The Applicant, by submitting a Tender, warrants to the LAA that:
- (i) it has complied with all the rules and instructions applicable to this IFA and the e-Tendering system in all respects;
 - (ii) all information, representations and other matters of fact communicated (whether in writing or otherwise) to the LAA by the Applicant are true, complete and accurate in all respects; and
 - (iii) it has capacity to concurrently deliver all of the services it has submitted a Tender for.
- 9.16 The Applicant must keep any Tender valid and capable of acceptance by the LAA up to the Contract Start Date.
- 9.17 By submitting a Tender the Applicant agrees to be bound by the Contract without further negotiation or amendment.
- 9.18 In submitting its Tender, the Applicant acknowledges the fact that Applicants may be party to no more than one 2018 Standard Civil Contract. Further the Applicant acknowledges that subject to the provisions on the holding of a single Face to Face Contract as referred to in this paragraph 9.18, this procurement process is entirely independent of any other procurement processes that have been run by the LAA or any predecessor organisation. Accordingly, no previous conduct or decisions of the LAA can be relied upon by the Applicant as setting any precedent for the LAA's conduct in respect of this procurement process.
- 9.19 The Applicant must monitor and respond as appropriate to messages received through the e-Tendering system throughout this procurement process and the LAA accepts no liability where the Applicant fails to do so. All communication with Applicants through the e-Tendering system, including that outlined in 9.20 will be deemed to have been received by the Applicant at the time of transmission in the e-Tendering system. The time specified in the e-Tendering system shall be the definitive time.

- 9.20 Any Frequently Asked Questions published through the e-Tendering system in accordance with Section 5 of this IFA will form part of the documentation for this procurement process. Applicants should have regard to the relevant Frequently Asked Questions documents prior to submitting a Tender.
- 9.21 Without prejudice to any warranties given, these rules of the procurement process do not form a separate collateral contract between the Applicant and the LAA. The Applicant's Tender will form part of any Contract subsequently awarded.

Right to Cancel or Amend the Procurement Process

- 9.22 The LAA reserves the right to amend the procurement process (including any related documentation) at any time. Any notices of amendments will be published on the LAA's website at <https://www.gov.uk/government/publications/civil-tender-activity-2021> and notified to individual Applicants through a message on the e-Tendering system.
- 9.23 A Tender submitted by an Applicant which does not comply with any amendments made in accordance with 9.22 before the Deadline may be rejected.
- 9.24 The LAA reserves the right to suspend or cancel the procurement process in its entirety or in part, and not to proceed to award contracts at any time at its absolute discretion.
- 9.25 While the LAA has taken all reasonable steps to ensure, as at the date of the issue of the IFA, that the facts which are contained both within it and associated documents are true and accurate in all material respects, it does not make any representation or warranty as to the accuracy or completeness or otherwise of these documents, or the reasonableness of any assumptions on which these documents may be based. If contradictory information is contained in this IFA and / or associated documents, the provisions of this Section 9 will take precedence.
- 9.26 All information supplied by the LAA to the Applicant, including that within the IFA, is subject to that Applicant's own due diligence. The LAA accepts no liability to the Applicant whatsoever resulting from the use of the IFA and any associated documents, or any omissions from or deficiencies in them.

Right to Clarify / Verify

- 9.27 The LAA may at its sole discretion seek to clarify or verify the Applicant's Tender. It will not do so where this would afford an Applicant the opportunity to improve its Tender by submitting a changed bid which would constitute a new tender. Where it does exercise its discretion to seek clarification or verification, in making its decision following receipt of an Applicant's response, the LAA will not take into account any information received which falls outside of the scope of the specific clarification or verification it is seeking.
- 9.28 Where the LAA contacts the Applicant in circumstances outlined in 9.27, the Applicant must provide the information requested by the date specified by the LAA. Any information provided by the Applicant after the specified date may not be taken into account by the LAA when evaluating the Applicant's Tender.

- 9.29 The SQ and Education ITT request some non-assessed information that the LAA requires to be able to progress the issuing of contract documentation. Where this non-assessed information is not provided or is inaccurate in the Tender, the LAA may contact the Applicant for these details. If the Applicant fails to provide the accurate information requested this will not result in a Tender being unsuccessful. However, this may delay the issuing of contract documentation to an Applicant who has been successful. That may prevent the Applicant from commencing and being paid for services under the relevant contract.

Right to Exclude

- 9.30 If the LAA receives information to suggest that any aspect of the Applicant's Tender is false, misleading or incorrect in any material way it may undertake such enquiries as it considers necessary to determine the accuracy of the Tender. The Applicant must assist with any such enquiries.
- 9.31 The LAA reserves the right at its absolute discretion to disqualify from the procurement process any Applicant for submitting:
- (i) false information; and/or
 - (ii) information which misrepresents the Applicants actual position; and/or
 - (iii) misleading information.
- 9.32 Paragraph 9.31 of this IFA applies regardless of whether the information concerned was submitted with the intention of misleading the LAA or misrepresenting the Applicant's actual position or whether it was submitted recklessly, negligently or innocently.

Canvassing

- 9.33 The Applicant (including its employees and agents) must not, whether directly or indirectly:
- (a) canvass, or attempt to obtain any information from, any Ministers, officers, employees, agents or advisers of the LAA in connection with this procurement process; or
 - (b) offer or agree to pay or give any sum of money, inducement or valuable consideration to any person for doing or having done or causing or having caused to be done any act or omission in relation to this procurement process.

Collusion

- 9.34 The Applicant must not collude with any other person or organisation in any way during this procurement process. This would include, but not be limited to, the following examples:
- (a) Fixing or adjusting any element of its Tender by agreement with any other person, unless such an act would reasonably be permitted as part of this procurement process;

- (b) Communicating to any other person any information relating to any fees or rates contained in the Applicant's Tender which will be competitively assessed as part of the procurement process, unless such communication is with a person who is a participant in the Applicant's Tender;
- (c) Entering into any agreement with any person for the purpose of inciting that person to refrain from submitting a Tender;
- (d) Sharing, permitting or disclosing access to any information relating to its Tender.

9.35 If the LAA reasonably believes that the Applicant has colluded with another person in any way that breaches paragraph 9.34, the LAA may (without prejudice to any other criminal or civil remedies available to it) immediately exclude the Applicant from any further involvement in this procurement process.

Award

9.36 Where a material change occurs to the Tender information submitted by an Applicant, including issues relating to any current contract the Applicant holds, the Applicant must inform the LAA using the e-tendering message boards for this procurement process at www.legalaid.bravosolution.co.uk. The LAA will conduct a re-assessment to ensure the Tender is not adversely impacted. If upon re-assessment, the Applicant's Tender is deemed to be unsuccessful or any conditions of contract award are not met, the LAA will not proceed with any decision made to award a contract. Failure to notify the LAA of a material change may result in disqualification from the procurement process and/or termination of the contract.

9.37 The LAA reserves the right, prior to any execution of a contract, to carry out further due diligence checks as it deems necessary or appropriate. Where, as part of any due diligence, an Applicant is found not to comply with any of the minimum contract requirements which the Applicant committed to meeting in its Tender, the LAA will not proceed with any decision made to award a contract.

9.38 The LAA reserves the right to place additional contractual conditions on the award of a contract to an individual Applicant.

9.39 The award of a contract does not guarantee a minimum amount of work for the Applicant or that a minimum level of income will be generated for the Applicant as a result of that contract.

Appeal and costs and expenses of Tender

9.40 Subject to paragraph 9.43 the Applicant's sole right of appeal is limited to circumstances where it reasonably, on the information contained in the SQ Response (subject to paragraph 9.27-28), considers that the LAA has made an error in its assessment of the Applicant's SQ Response.

9.41 There is no other right of appeal, including, for example but not limited to, in respect of any mistakes, inaccuracies or errors made by the Applicant in its Tender. Where an Applicant seeks to appeal on other grounds not covered by this paragraph, any such

appeal will be rejected. For the avoidance of doubt there is no right of appeal based on a purported failure of the LAA to clarify Tender information.

- 9.42 For the avoidance of doubt, there is no right of appeal in respect of the LAA's assessment of Education ITT Responses.
- 9.43 Appeals must relate to the specific grounds of failure set out in the notification letter received from the LAA. Legal Aid Agency.
- 9.44 Appeals should be submitted using the appeals pro-forma which will be made available as part of their notification letter.
- 9.45 The LAA will not accept any appeal submitted after the date detailed in the notification letter for receipt of appeals.
- 9.46 The LAA's Principal Legal Adviser (or their appointed representative) will review all appeals on the papers only and make a determination on the outcome of the appeal. For the avoidance of doubt, there is no further right of appeal.
- 9.47 The Applicant is solely responsible for its own costs and expenses incurred in connection with the preparation and submission of a Tender irrespective of any subsequent cancellation or suspension of this procurement process by the LAA. Under no circumstances will the LAA, or any of its employees, be liable for any costs incurred by the Applicant.

Confidentiality, Data Protection & Freedom of Information

The LAA can only withhold information where it is covered by a valid exemption as set out in the FOIA.
- 9.50 If an Applicant is concerned about possible disclosure it should contact the LAA and clearly identify the specific parts of the Tender that it considers commercially sensitive or confidential (within the meaning of the FOIA), the harm that disclosure may cause and an estimated timescale for that sensitivity. The Applicant must familiarise itself with the Information Commissioner's current position on the disclosure and non-disclosure of commercially sensitive information and accordingly should not notify the LAA of a blanket labelling of its entire Tender as confidential.
- 9.51 The Applicant must be aware that the receipt by the LAA of information marked 'confidential' does not mean that the LAA accepts any duty of confidence in relation to that marking. Neither does the LAA guarantee that information identified by the Applicant as confidential will not be disclosed where the public interest favours disclosure pursuant to the LAA's obligations under FOIA.

- 9.52 The LAA, will collect, hold and use Personal Data obtained from and about the Applicant and its Key Personnel during the course of the procurement process.

The Applicant shall immediately notify the LAA if any of the consents is revoked or changed in any way which affects the LAA's rights or obligations in relation to such Personal Data.
- 9.56 The Applicant agrees that it shall notify the LAA immediately if any Data Subject revokes, withdraws and/or changes their consent to the disclosure of the Personal Data to the LAA in connection with the Tender.
- 9.57 The LAA shall implement and maintain appropriate technical and organisational security measures to comply with the obligations imposed on the LAA by the Security Requirements.
- 9.58 The LAA may disclose any documentation or information submitted by the Applicant as part of a Tender, whether commercially sensitive or not, for the purposes of complying with any control and/or reporting obligations, to any other central Government Department or Executive Agency. For the avoidance of doubt, information will not be disclosed outside Government for these purposes. By submitting a Tender, Applicants consent to documentation and information being held and used for these purposes.
- 9.59 The LAA will publish details of all contracts awarded in accordance with the Government's transparency standards.
- 9.60 Following completion of this procurement process, the LAA will retain copies of the Tender for such time as it considers reasonable to satisfy the LAA's audit obligations and for any associated contract management purposes.
