

EMPLOYMENT TRIBUNALS

Claimant: Mr N Seshadri

Respondent: Cwm Taf Morgannwg University Local Health Board

Before: Employment Judge Whittaker

JUDGMENT

The e mail of the 28th of January 2021-at 15-38- sent by the Claimant has been treated as a further application pursuant to Rules 70 and 71 of the 2013 Rules of Procedure, both in respect of the original Judgement sent to the parties on the 14th of December 2020 and the Judgement in respect of the first application by the Claimant under Rules 70 and 71 which was refused and sent to the parties on the 14th of January. This second application is refused and dismissed as it does not present any grounds for either of the 2 Judgements being revoked or varied

REASONS

1. The information now supplied by the Claimant does not address the dates or the timetable of events set out in the original and the second Judgment and provides no grounds for any change to the Judgements or the Reasons for them.
2. The information now supplied could and should have been supplied to the original Hearing if the Claimant believed it was relevant but the Tribunal does not see how in any event it would have altered either of the Judgements of the Tribunal.
3. This application-just as was the case with the 1st Rule 70/71 application - is in effect an appeal against the earlier conclusions of the Tribunal. It is appreciated that the Claimant does not agree with the conclusions of the Tribunal but the Claimant cannot simply purport to make applications

under Rule 70/71 which are in effect an appeal and an obvious attempt at a second bite at the cherry.
