

Yorkshire and Humber lower tier local authority watchlist, epidemiological charts

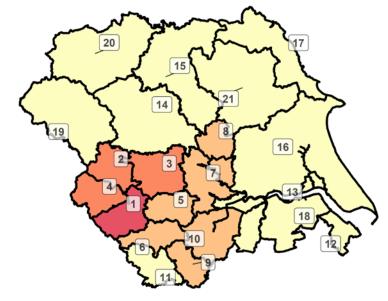

Produced 7 June 2021

Notes

- This data is provided by Public Health England for the purpose of monitoring and supporting the management of COVID-19 infections in local authorities.
- The reports are produced using 2019 Office for National Statistics population data.
- If you would like to know the weekly trend for the case rate charts and persons tested chart please see lower tier local authority watchlist.

Weekly case rate per 100,000 population by local authority from 27 May to 2 Jun 2021

Yorkshire and Humber COVID-19 cases: 27 May to 02 Jun 2021 Weekly case rates per 100,000 population by local authority

Covid-19 rate by	local authority	
		_

Data from SGSS; Pillar 1 and 2 testing. Figure by Outbreak Surveillance Team, Public Health England.
