

EMPLOYMENT TRIBUNALS

Claimant: Mr S Mathers

Respondent: Able Skip Hire Limited

JUDGMENT

The respondent's application dated **25 May 2021** for reconsideration of the judgment sent to the parties on **7 June 2021** is refused.

REASONS

There is no reasonable prospect of the original decision being varied or revoked. The pay slips which the respondent now seeks to rely upon, although it states were available at the time of the hearing, were not produced to the Tribunal and did not form part of the joint bundle of documents. Mr Johnstone referred to a schedule of amounts paid to the claimant but was unable to verify such amounts by reference to pay slips. The Tribunal's calculations were based upon pay slips before it.
