Notes for claimant on completing the claim form, including what to do next.

About the court form

- The Official Injury Claim Service will automatically complete the sections that are relevant to your claim only.
- Some sections will not contain any information because it is not relevant to your claim. You should not add anything by hand or otherwise to those sections.
- The information which appears in the claim form is based on the information you have included to support your claim for a road traffic accident related personal injury in the Official Injury Claim Service.
- If you have already started court proceedings for this claim it's important you include the claim number and which court heard your dispute.

What to do next

- You will need to print the claim form out. You will also need to sign and date the claim form.
- The printed, signed and dated claim form together with the relevant court pack must be sent to the County Court Money Claims Centre, PO Box 527, Salford, M5 0BY.
- You will also need to pay the correct court fee. You can find the court fee for your claim using guidance on civil fees on gov.uk. You will need to write the fee you are paying in the "court fee" box at the bottom of page 1 of the form.
- If paying by cheque, you should make your cheque payable to "HM Courts and Tribunals Service".
- If you have little or no savings and are on certain benefits or have a low income, you may not have to pay a court fee, or you may get some money off. You can find further information at: <https://www.gov.uk/get-help-with-court-fees>
- If you need legal advice you should contact a solicitor or a Citizens Advice Bureau.

Further Information

- Further information about the process to take court action can be found in the Guide to Making a Claim Under the Road Traffic Accident Small Claims Protocol.
