

EMPLOYMENT TRIBUNALS

Claimant: Mr S Rashid

Respondent: Morrison Data Services

JUDGMENT

The claim is struck out.

REASONS

1. By a letter dated 01 February 2021 the Tribunal gave the claimant an opportunity to confirm withdrawal of his claim.
2. The Claimant has failed to make representations in writing, or has failed to make any sufficient representations to confirm the withdrawal. The claim is therefore struck out on the basis that it is not being actively pursued.
3. The hearing fixed for 06 May 2021 will not take place.
