The Executive Committee, on behalf of the Governing Body, are required under legislation relating to trade unions and employers' associations to prepare accounts for each financial year which give a true and fair view of the state of affairs of the Federation and of the transactions of the Federation for that period.

In preparing these accounts we are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the Federation will continue in business.

Executive Committee are also responsible for:

- · keeping proper accounting records;
- safeguarding the Federation's assets;
- taking reasonable steps for the prevention and detection of fraud;
- establishing and maintaining a satisfactory system of control of its accounting records, its cash holdings and all its receipts and remittances

#### Disclosure of information to auditors

Each person who was a member of the Executive Committee at the time this report was approved confirms that:

- so far as they are aware, there is no relevant audit information of which the Federation's auditor is unaware; and
- They have taken all the steps that they ought to have taken as the Executive Committee in
  order to make themselves aware of any relevant audit information and to establish that the
  Federation's auditors are aware of that information.

#### **Further information**

O Williams President

# General Federation of Trade Unions Independent auditor's report to the members of General Federation of Trade Unions

#### Opinion

We have audited the accounts of General Federation of Trade Unions for the year ended 31 December 2020 which comprise the Income and Expenditure Account, the Statement of Comprehensive Income, the Balance Sheet and notes to the accounts, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the Federation's members, as a body, in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken so that we might state to the Federation's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Federation and the Rederation's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the accounts:

- give a true and fair view of the state of the Federation's affairs as at 31 December 2020 and of its deficit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992

#### Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the accounts section of our report. We are independent of the Federation in accordance with the ethical requirements that are relevant to our audit of the accounts in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances set out below, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

In accordance with the exemption provided by FRC's Ethical Standard - Provisions Available for Audits of Small Entities, we have prepared and submitted the Federation's returns to the tax authorities and assisted with the preparation of the accounts.

#### Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the federation's use of the going concern basis of accounting in the preparation of the accounts is not appropriate; or
- the federation has not disclosed in the accounts any identified material uncertainties that may cast significant doubt
  about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve
  months from the date when the accounts are authorised for issue.

#### Other information

The other information comprises the information included in the report and accounts, other than the accounts and our auditor's report thereon. The members of the executive committee are responsible for the other information. Our opinion on the accounts does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. In connection with our audit of the accounts, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the accounts or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the accounts or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

#### Opinions on other matters prescribed by the Trade Union and Labour Relations (Consolidation) Act 1992

In our opinion, based on the work undertaken in the course of the audit:

 the information given in the executive committee report for the financial year for which the accounts are prepared is consistent with the accounts; and

#### Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Federation and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the accounts are not in agreement with the accounting records and returns; or
- · certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or

#### Responsibilities of Executive Committee

As explained more fully in the executive committee responsibilities statement, the executive committee are responsible for the preparation of the accounts and for being satisfied that they give a true and fair view, and for such internal control as the Executive Committee determines is necessary to enable the preparation of accounts that are free from material misstatement, whether due to fraud or error.

In preparing the accounts, the executive committee are responsible for assessing the Federation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the executive committee either intends to liquidate the Federation or to cease operations, or have no realistic alternative but to do so.

#### Auditor's responsibilities for the audit of the accounts

Our objectives are to obtain reasonable assurance about whether the accounts as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these accounts.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Approved by the Executive Committee on 5 May 2021

#### 1 Accounting policies

#### Basis of preparation

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, The Financial Reporting Standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

#### Intangible fixed assets

Intangible fixed assets are measured at cost less accumulative amortisation and any accumulative impairment losses.

#### Tangible fixed assets

Tangible fixed assets are measured at cost less accumulative depreciation and any accumulative impairment losses. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost, less estimated residual value, of each asset evenly over its expected useful life, as follows:

Motor vehicles 25% reducing balance Fixtures, fittings and equipment 33% straight line

#### Investments

Investments are recognised initially at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are measured at fair value through profit or loss if the shares are publicly traded or their fair value can otherwise be measured reliably. Other investments are measured at cost less impairment.

Investment income is accounted for on a receivable basis advised where necessary by the fund managers.

#### Taxation

Corporation tax is liable on investment income only. It is measured at the amount expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.
