CVP

The hearing was conducted by the parties attending by Cloud Video Platform. It was held in public in accordance with the Employment Tribunal Rules. It was conducted in that manner because a face to face hearing was not appropriate in light of the restrictions required by the coronavirus pandemic and the Government Guidance and it was in accordance with the overriding objective to do so.

¹ The respondent contends that the claimant has raised this claim for the first time at the hearing today but, nevertheless, consents to a judgment in those terms.
