Report of the auditors to the members of Leeds Building Society Colleague Association for the year ended 31 December 2020

This report is made solely to the Association's members, as a body. Our audit work has been undertaken so that we might state to the Association's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Association and the Association's members as a body for our audit work, for this report, or for the opinions we have formed.

In our opinion, the Association has maintained proper accounting records, and has a satisfactory system of control and the attached Balance Sheet and Income and Expenditure Account give a true and fair view of the state of the Association's affairs as at 31st December 2020 and of the surplus of income over expenditure for the year then ended. These accounts have been prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992.
