STATEMENT OF OFFICERS' RESPONSIBILITIES

The Officers are responsible for preparing the General Secretary's Report and the financial statements in accordance with applicable law and regulations.

The Officers are required to prepare financial statements for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The Officers must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Association and the surplus or deficit of the Association for that period.

In preparing these financial statements, the Officers are required to:

- Select suitable accounting policies and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue in business.

The Officers are responsible for keeping adequate accounting records that are sufficient to show and explain the Association's transactions and disclose with reasonable accuracy at any time the financial position of the Association and enable them to ensure that the financial statements comply with the United Kingdom Generally Accepted Accounting Practice (and applicable law). They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Officers confirm that so far as they are aware, there is no relevant audit information of which the Association's auditors are unaware. They have taken all the steps that they ought to have taken as Officers in order to make themselves aware of any relevant audit information and to establish that the Association's auditors are aware of that information.

STATEMENT REQUIRED BY SECTION 32A (6) (a) OF THE TRADE UNION AND LABOUR RELATIONS (CONSOLIDATION) ACT 1992 AS AMENDED BY THE TRADE UNION ACT 2016

A Member who is concerned that some irregularity may be occurring, or have occurred, in the conduct of the financial affairs of the union may take steps with a view to investigating further, obtaining clarification and, if necessary, securing regularisation of that conduct.

The Member may raise any such concern with such one or more of the following as it seems appropriate to raise it with: the officials of the union, the trustees of the property of the union, the auditor or auditors of the union, the Certification Officer (who is an independent officer appointed by the Secretary of State) and the police.

Where a Member believes that the financial affairs of the union have been or are being conducted in breach of the law or in breach of rules of the union and contemplates bringing civil proceedings against the union or responsible officials or trustees, they may apply for material assistance from the Commissioner for the Rights of Trade Union Members and should, in any case, consider obtaining independent legal advice.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE NATIONAL ASSOCIATION OF GROUP SECRETARIES TO THE NATIONAL FARMERS UNIONS OF THE UNITED KINGDOM FOR THE YEAR ENDED 31 OCTOBER 2020

TO THE MEMBERS OF THE NATIONAL ASSOCIATION OF GROUP SECRETARIES TO THE NATIONAL FARMERS UNIONS OF THE UNITED KINGDOM

QUALIFIED OPINION

We have audited the financial statements of The National Association of Group Secretaries to the National Farmers Unions of the United Kingdom for the year ended 31 October 2020 which comprise the Income and Expenditure Account, the Balance Sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Generally Accepted Accounting Practice.

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion section of our audit report, the financial statements:

- give a true and fair view of the state of the union's affairs as at 31 October 2020 and of its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
 and
- have been properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended).

BASIS FOR QUALIFIED OPINION

Due to changes in the union's internal systems, we were unable to obtain all supporting documentation in respect of the delegate and sponsorship income in the Education account.

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of whether accounting policies are appropriate to the union's circumstances and have been consistently applied and adequately disclosed, the reasonableness of significant accounting estimates made by the officers and the overall presentation of the financial statements.

OPINION ON OTHER MATTERS

In our opinion the information given in the Report of the General Secretary for the financial year for which the financial statements are prepared is consistent with the financial statements.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE NATIONAL ASSOCIATION OF GROUP SECRETARIES TO THE NATIONAL FARMERS UNIONS OF THE UNITED KINGDOM FOR THE YEAR ENDED 31 OCTOBER 2020

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

Except for the matter described in the basis for qualified opinion section of our report, in the light of the knowledge and understanding of the union and its environment obtained in the course of the audit, we have not identified material misstatements in the secretary's report.

Arising solely from the limitation on the scope of our work relating to supporting documentation, referred to above:

- we were unable to determine adequate accounting records have not been kept
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of the following matters

- returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

RESPECTIVE RESPONSIBILITIES OF THE OFFICERS AND AUDITORS

As explained more fully in the Statement of Officer's Responsibilities set out on page 4, the union's Officers are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

THE EXTENT TO WHICH THE AUDIT WAS CONSIDERED CAPABLE OF DETECTING IREGULARITIES INCLUDING FRAUD

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- The engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise noncompliance with applicable laws and regulations.
- We identified the laws and regulations applicable to the union, in particular the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended). Ensuring the specific laws and regulations were communicated to the engagement team.
- We assessed the susceptibility of the union's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by enquiring with management and considering internal controls.
- To address the risk of fraud through management bias and override of controls, we performed analytical procedures to identify any unusual or unexpected relationships and investigated the rationale behind significant or unusual transactions.
- In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited toagreeing financial statement disclosures to underlying supporting documentation and requesting and reading the minutes of meetings of those charged with governance.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE NATIONAL ASSOCIATION OF GROUP SECRETARIES TO THE NATIONAL FARMERS UNIONS OF THE UNITED KINGDOM FOR THE YEAR ENDED 31 OCTOBER 2020

THE EXTENT TO WHICH THE AUDIT WAS CONSIDERED CAPABLE OF DETECTING IREGULARITIES INCLUDING FRAUD

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the officers and other management and the inspection of regulatory and legal correspondence, if any. Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

CONCLUSIONS RELATING TO GOING CONCERN

We have not identified a material uncertainty related to events or conditions that, individually or collectively, may cast significant doubt on the union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

We conclude that management's use of the going concern basis of accounting in the preparation of the entity's financial statements is appropriate.

USE OF OUR REPORT

This report is made solely to the union's members, as a body, in accordance with section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992 (Amended). Our audit work has been undertaken so that we might state to the union's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the union and the union's members as a body, for our audit work, for this report, or for the opinions we have formed.

THE NATIONAL ASSOCIATION OF GROUP SECRETARIES TO THE NATIONAL FARMERS UNIONS OF THE UNITED KINGDOM NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 OCTOBER 2020

1 STATEMENT OF ACCOUNTING POLICIES

Constitution

The Association is listed under the provisions of the Trade Union and Labour Relations (Consolidation) Act 1992 as amended by the Trade Union Act 2016. The financial statements have been prepared in accordance with the provisions of the Act as amended.

Accounting convention

The accounts have been prepared under the historical cost convention and in accordance with applicable accounting standards.

Income

Income represents the amounts receivable in respect of subscriptions and other services.

Investments

Current asset investments are stated at the lower of cost and net realisable value.

Taxation

The Association is liable to Corporation Tax on income and chargeable gains as a Trade Union. For this purpose, funds derived from members do not rank as income, but Corporation Tax is chargeable on trading profits, investment and rental income, and gains arising on the disposal of chargeable assets.

Under the Value Added Tax Act 1994, Schedule 9, Trade Unions having as their main object the negotiation on behalf of members of the terms and conditions of their employment are exempt from Value Added Tax for membership benefits supplied or available in return for subscriptions as is the provision, otherwise than for profit, of training and retraining for the trade or profession and employment of members. Exemption is not available however, for the supply of goods and services, other than those referred to above, which members pay for separately. Such supplies to members and in addition supplies to third parties would normally be taxable supplies but the Association is not registered for Value Added Tax because its taxable supplies are below the annual registration limit.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

2 MEMBERS' SUBSCRIPTIONS

10 POST BALANCE SHEET EVENTS

On 30 January 2020, the World Health Organisation ("WHO") announced a global health emergency because of a new strain of coronavirus (the "COVID-19 outbreak") and the risks to the international community as the virus spreads globally. In March 2020, the WHO classified the COVID-19 outbreak as a pandemic, based on the rapid increase in exposure globally. The full impact of the COVID-19 outbreak continues to evolve and as such, it is uncertain as to the full financial impact that the pandemic will have on the association. Therefore, the association are unable to reliably estimate the impact of the COVID-19 outbreak on its results for the financial year ended 31 October 2021.
