Dear ██████████

RE: Request for Information – RFI3476

Thank you for your recent email, which was processed under the Freedom of Information Act 2000 (FOIA). You requested the following information:

I am emailing regarding the progression of 250 Houses at Whittingham Lane, Whittingham, Preston, Lancashire, PR3 2JE.

I'm just trying to establish the name of the company that has been appointed for the role below:

1- M&E(if any?)

Also, I'm just trying to establish the latest status of the project and if this scheme will go out to tender or will the client have their own contractor for this one(if yes, the builder info)?

Response

We can confirm that we do hold some of the requested information.

The developer that has been appointed to the role of monitoring and evaluation is BDW Ltd.

Regarding the status of the project, we are able to confirm that Homes England does not hold recorded information that falls in scope of your request. This is because there is no legal or business reason for Homes England to do so.

In order to conclude that the information is not held, we have searched with our Land Enquiries team who would have the requested information if held.

The FOIA does not oblige a public authority to create information to answer a request if the requested information is not held. The duty under section 1(1) is only to provide the recorded information held.

The full text of section 1 in the legislation can be found here:
